## INTRODUCTORY,

The second volume of R. L. Polk & Co.'s Salida City & Chaffee County Directory is herewith presented. The many favorable comments on the preceding issue have stimulated our efforts to make this book, if possible, an improvement over the last. It has been demonstrated to us that the business men of the City of Salida and Chaffee County appreciate a first-class directory, and it is our intention to supply them regularly hereafter with such a work.

A revised and up-to-date Street and Avenue Guide of Salida will be found on pages 9 to 12. Pages 13 to 45 contain a large amount of useful Miscellaneous Information, such as Salida City and Chaffee County Governments and Officers; Postoffice Information (including a full and complete list of all the postoffices in the State of Colorado, corrected to date); Banks; Churches; Clubs; Colleges and Schools; Hospitals, Labor Organizations; Newspapers; Public Buildings and Blocks; Secret and Benevolent Organizations; Salida Ward Boundaries, etc., etc.

The General Information for the City of Salida will be found on pages 47 to 171. The information for the other cities and towns of Chaffee County will be found (arranged in alphabetical order) on pages 171 to 219 inclusive.

The third section of the work (pages 220 to 231) contains a list of the Farmers and Land Owners of Chaffee County, arranged alphabetically, showing the number of acres owned, the assessed valuation of same, and the owner's postoffice address.

The last section of the work (pages 232 to 230) is devoted to a classified arrangement of the names of all business and professional men throughout the City of Salida and Chaffee County, arranged under appropriate headings, which brings all the different lines of business and professional men together for convenient reference.

The Salida City section of the work contains by actual count 2,428 names (not including the names of firms, corporations, death or removal notices). We estimate the present population of the City of Salida to be about 6,000. The population of the other cities and towns is noted in connection with sketches concerning these places, and which will be found on pages 171 to 219.

Thanking our patrons and the public in general for courtesies extended to our representatives while gathering the information for this work, and renewing our promise to continue to publish a first-class directory of Salida City and Chaffee County whenever the occasion requires, we are

Respectfully,  
R. L. POLK & CO.,

1905-1906

II

Buena Vista is the county seat of Chaffee County, situated in the valley of the Arkansas River, 235 miles southwest of Denver and 25 miles west of Salida, at an elevation of 7,957 feet. It has a population of 1,300.

The town is beautifully located on the lines of the Denver & Rio Grande, Colorado Midland and Colorado & Southern Railways. Many substantial homes and business houses are located here. An abundance of pure water is a feature of the town.

The Colorado State Reformatory is located one mile south of the city.

The Princeton and Buena Vista Hot Springs are located near by—the waters of which are noted for their healing properties and many tourists from all parts of the country are to be found there during the summer season.

As a health resort it is unsurpassed.
