INTRODUCTORY

We present herewith the third revised edition of R. L. Polk & Co's Salida City & Chaffee County Directory, and desire to call the attention of our patrons and the public in general to the thoroughness and completeness of the work throughout. With every facility for the prompt and accurate accomplishment of such a task, with the experience of more than a third of a century in directory making, and with the assistance of a competent staff, makes it possible for us to produce a directory that will compare in every respect with directories of any of the large metropolitan cities.

The general arrangement of the work follows the style of the last edition, issued late in the year 1905. A revised and up-to-date Street Guide for the City of Salida will be found on pages 9 to 12 inclusive. This is followed by the department of Miscellaneous Information (pages 13 to 47), in which will be found full and complete rosters of the City and County Officers; information concerning the Courts; Rates of Postage; a revised list of the Post Offices located in Colorado; Clubs and Societies; Labor Organizations; Newspapers; Public Buildings, Halls, etc.; Secret and Benevolent Organizations; and Salida Ward Boundaries. The general list of names for the City of Salida will be found on pages 49 to 174 inclusive. The other towns located in Chaffee County follow in alphabetical order (pages 174 to 223).

Thanking one and all who have assisted us in producing this volume by furnishing the necessary data concerning themselves and their business, and also thanking our patrons for patronage extended, we are,

Respectfully,

R. L. POLK & CO., Publishers.

R. L. POLK, Pres. and Treas.

Buena Vista is the county seat of Chaffee County, situated in the valley of the Arkansas River, 235 miles southwest of Denver and 25 miles west of Salida, at an elevation of 7,957 feet. It has a population of 1,300.

The town is beautifully located on the lines of the Denver & Rio Grande, Colorado Midland and Colorado & Southern Railways. Many substantial homes and business houses are located here. An abundance of pure water is a feature of the town.

The Colorado State Reformatory is located one mile south of the city.

The Princeton and Buena Vista Hot Springs are located near by—the waters of which are noted for their healing properties and many tourists from all parts of the country are to be found there during the summer season.

As a health resort it is unsurpassed.
