INTRODUCTORY

This is the fifth edition of the R. L. Polk Directory Co.'s Salida City and Chaffee County Directory, and it is issued with the assurance that all the various information desirable in a modern, first-class directory to a growing and bustling city is given with special accuracy and will, we believe, prove a most satisfactory guide to those who use it.

The work contains 194 pages, of which the first 16 are devoted to useful miscellaneous information relating to Salida and the county in general. This information has all been obtained from original sources and is brought down to the latest possible date before publication. It embraces city officers, county government, courts, postoffice data, banks, churches, with location, name of pastor and hours of service, clubs, associations and societies, colleges and schools, labor organizations, parks, lakes, public buildings, halls and blocks, secret and benevolent organizations, a street guide, ward boundaries, etc. Succeeding these are 98 pages containing an alphabetically arranged directory of all the inhabitants of the City of Salida. The same plan is followed for Buena Vista, pages 123 to 144, and is followed by a descriptive sketch and alphabetically arranged list of names for Centerville, Garfield, Granite, Hortense, Nathrop, Newett, Poncha Springs, St. Elmo and Turret. Then comes the Farmers' and Land Owners' Directory of Chaffee County, occupying 10 pages. The remaining pages contain the Classified Directory. Here appear the names of all persons and firms in the county engaged in business, arranged in the class to which they belong; thus, every kind of business and the number and names of its representatives may be separately seen at a glance.

The publishers desire to express to the business and professional men of Chaffee County their acknowledgment of the generous support accorded the work and to extend the promise of unvarying efforts to fill the field in the future as in the past.

The local rate is applicable to parcels intended for delivery at the office of mailing or on a rural route starting therefrom.

It will be observed that the rates of postage are largely reduced and that the limit of weight is increased from four to eleven pounds. Parcels will be delivered at all free-delivery offices and to patrons residing on rural and star routes; they may be registered and may be accorded special-delivery service on payment of the usual fees, and they may be insured against loss in an amount equivalent to their actual value, but not to exceed \$25, upon payment of a fee of five cents. Distinctive stamps must be used on all parcels, but they may be mailed in quantities of not less than 2,000 identical pieces without stamps affixed, the postage being paid in money.

SEALING.—Any matter is regarded as sealed when it is not so wrapped as to allow of a thorough examination without in any way injuring the wrapping.

REGISTRATION.—First, second, third and fourth class matter may be registered at any post office by affixing 10 cents in stamps in addition to the regular postage.

THE City Directory is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyer's Guide on earth. A modern up to date method of getting what you want.

WE FURNISH
LISTS of NAMES **ANY BUSINESS LOCALITY** **UP-TO-DATE ACCURATE**

We publish over 250 city, county, state and national trade directories, therefore have unexcelled facilities for furnishing lists of any trades and professions that are not covered by our national Trade Directories.

As Directory Publishers, we have available for use in compiling our lists the manuscript matter that we intend utilizing in directories being compiled, and can therefore give our patrons the benefit of up-to-date information before it appears in type and consequently before it is in the hands of firms whose business is solely furnishing lists of names.

We address and mail envelopes, wrappers, etc.

Prices and prospectus of any of our directories and lists sent on application.

Buena Vista Directory

VOL. 1913-1914 v.

Buena Vista is the county seat of Chaffee County, situated in the valley of the Arkansas River, 235 miles southwest of Denver and 25 miles west of Salida, at an elevation of 7,957 feet. It has a population of 1,300.

The town is beautifully located on the lines of the Denver & Rio Grande, Colorado Midland and Colorado & Southern Railways. Many substantial homes and business houses are located here. An abundance of pure water is a feature of the town.

The Colorado State Reformatory is located one mile south of the city.

The Princeton and Buena Vista Hot Springs are located near by—the waters of which are noted for their healing properties, and many tourists from all parts of the country are to be found there during the summer season.

As a health resort it is unsurpassed.
