*If you want to live in a kind of a town,
Like the kind of a town you like,
You needn't slip your clothes in a grip,
And start on a long, long hike;
You'll only find what you left behind,
For there's nothing that's really new;
It's a knock at yourself when you knock your town;
It isn't your town, it's you.*

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

INTRODUCTION

The Seventh edition of R. L. Polk Directory Co.'s Salida and Chaffee County Directory is herewith presented to its patrons with the assurance of the publishers that no effort or expense has been spared on their part in the endeavor to produce a complete and comprehensive work, and that the Directory contains all available data relative to the civic, commercial and industrial interests and activities of the county.

The Directory is compiled in several departments in the order following:

THE MISCELLANEOUS DEPARTMENT, pages 17 to 24, is a complete and comprehensive guide to the County and City government, churches, public schools, courts, clubs, secret societies, etc.

THE ALPHABETICAL LIST OF NAMES commencing at page 25, contains the names of all business firms and corporations and the inhabitants of the city, together with the occupation and residence address of each individual. Following this department will be found directories of Buena Vista, Garfield, Nathrop, Poncha Springs and Turret.

The **LAND OWNERS OF CHAFFEE COUNTY**, starting at page 118 is a directory in itself. It shows number of acres owned, assessed valuation of same, and owner's postoffice address. This department is invaluable to the directory user.

THE CLASSIFIED BUSINESS DIRECTORY, the concluding department of the work, forms a complete exhibit of the commercial, manufacturing, professional, financial and other business interests of Salida and the above named towns, arranged in alphabetical order under their respective headings. This feature will be appreciated as a "Buyers' Guide."

POPULATION

After a careful check of all the information contained in this directory we estimate the population of Salida to be 5,535. We consider this a very conservative figure and might add that our estimate is taken by all large concerns of the country as being very reliable and more correct than figures obtained from other sources.

We beg to express our thanks for courtesies extended our representatives and for the patronage accorded the work.

Miscellaneous Information

(Copyright 1922.)

Buena Vista is the county seat of Chaffee County, situated in the valley of the Arkansas River, 235 miles southwest of Denver and 25 miles west of Salida, at an elevation of 7,968 feet. It has a population of 1,000.

The town is beautifully located on the lines of the Denver & Rio Grande Western and Colorado & Southern Railways. Many substantial homes and business houses are located here. An abundance of pure water is a feature of the town.

The Colorado State Reformatory is located one mile south of the city.

The Princeton and Buena Vista Hot Springs are located near by—the waters of which are noted for their healing properties, and many tourists from all parts of the country are to be found there during the summer season.

As a health resort it is unsurpassed.
