Dedication

The idea for this dedication first came when, at the suggestion of the students, Salida High School celebrated "American Appreciation Week." The enthusiastic response of the student body, evidenced by the many and varied activities and displays, made the week one of the most memorable of the school year.

The displays showed clearly that young men and women in Salida recognize that the greatness of their present American Way is a result of the brilliance of the past American Way; that they draw inspiration for the future of the American Way from the ideals—the principles—that their forefathers handed down to them.

The American Way! From soapboxes, from tribunes, from platforms, from teachers, and from loud speakers--the American Way is lauded. Ultimately, the American Way rests on the simple idea that every person has an equal right to make his own choices, to say what he likes, to be heard.

But, as the speaker at graduation pointed out, there is a danger in this doctrine that can only be countered by clear-thinking men and women. An arrogant people may be overthrown and enslaved; an ignorant people may be misled; a weak people may be herded or stampeded; a selfish people may be victimized.

It is through such activities as "American Appreciation Week" that we gain a better understanding of our system and minimize the dangers to it. Thus, in the belief that the week made a significant contribution to the education process of all of us at Salida High School we dedicate this annual to the AMERICAN WAY:

- a fundamental belief in equality;
- a humanitarian concept of human nature;
- a dedication to the idea of progress;
- a faith in the soundness of majority rule;
- an unswerving support for the freedom of dissent.

The Salida high school athletic program, which has been expanding for several years, grew even faster this year with the opening of the new Field House. Golf, tennis, skiing, wrestling, and cross country took a place beside football, basketball, and track and were solid competitors with the three traditional sports for athletes and spectators. In addition, intramural sports were expanded as was the girls' gymnastic activity. A girls' track squad was fielded by Salida for the first time. This team sent five girls to the state meet where one of them, Margaret Dunckhorst, placed second in the high jump.

Shown on these two pages are the Spartan hoopsters who were on the "A" squad this year.

Although the local cagers didn't go to "state" this year, (it has become almost a custom in the past dozen years) they did supply the local fans with the usual number of hard-fought ball games.

Three varsity members, Floyd Stallsworth, Terry Witty and Greg Post will be back to play again next season.

Seniors included Fred Cupelli, Rick McClure, Bob Henry, Ron Lewis, Ed Salvi, Jake Leewaye and Harry Palmer.

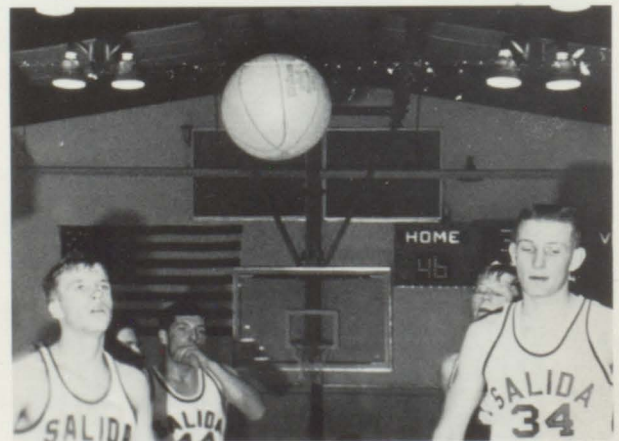

Rick McClure and Jake Leewaye were named to the Pikes Peak League All-Conference team.

The first track letters ever presented to girls at Salida High School were awarded by Miss Riley to Frankie Scanga, Barbara Mooney, Laurie Everett, Peggie Conroe, Cris Cady, Margaret Dunkhorst (who took a second in the State Meet), and Regina Gustafson.

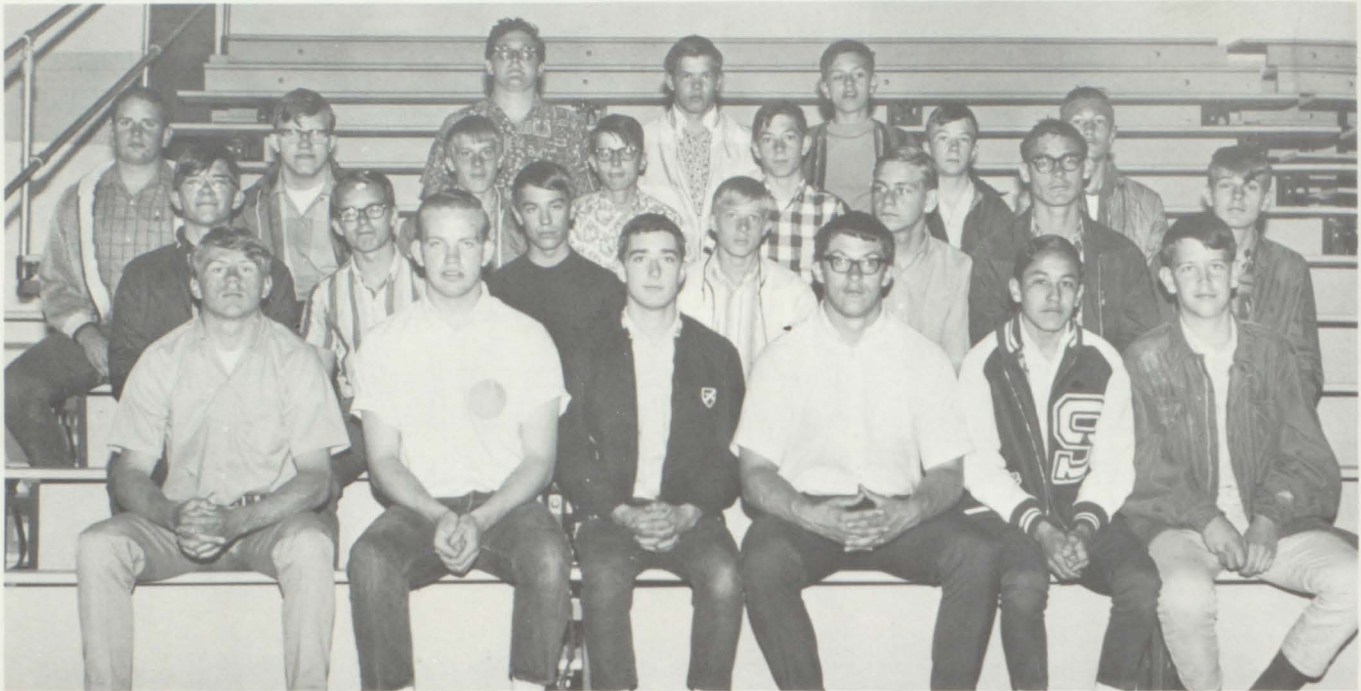

The events of Saturday, May 11, 1968, (the date of the first girl's track meet in Salida) seemed to point to a bright future for Spartan female track squads. The Salida girls scored nineteen times and captured first place Saturday in five of the eleven events. As for the future, not one of the girls scoring points for Salida was a senior.

Those winning events included Peggy Conroe, the 70 yard hurdles and 50 yard dash; Laurie Everett, in the 220; Margaret Dunckhorst, high jump; and the 880 relay team. Girls not taking firsts, but scoring in more than one event were Barbara Mooney, Chris Cady, Wanda Canterbury, and Maralyn Berndt.

Front row, left to right: Merry Witty, Kathleen Crum, Wanda Canterbury, Sandra Jay, Peggy Conroe; second row: Chris Cady, Becky Loften, Lois Harper, Rajeana Gustafson, Barbara Moomey, Laurie Everett; third row: Susan Conroe, Marilyn Berndt, Ginger McCormick, Cathy Clark, Carolyn Hower, Miss Riley.

Freshmen English students have a hard time keeping their minds on the lesson when the camera is present.

27TH ANNUAL SPARTAN SPARKLES

For the 27th year, over 200 members of the Glee Club and Band combined to produce Salida high school's annual musical extravaganza. Under the direction of John Held, originator and yearly producer, the students played to a packed house during all four performances.

Assisting Mr. Held with the show were choreographer Kathy Coan, stage band leader Don Green, and a stage crew headed by Von Gustafson.

Fred Cupelli was the M. C. for the performance which started with the traditional show opener, "Stardust," and went through 32 variety acts. On the next few pages are pictured some of the acts and many of the performers.

On the facing page: top--Penny McCoy, Cynthia Osborne, Carol Koenig, Cheryl Malthus, Cathy William and Kathy Woods, sing "Day Dream Believer" Middle-- "Incense and Peppermints" Kirk Smith; Bottom--the Treble Clef sings "Pledge of Love."

GLEE CLUB

FRESHMEN GLEE CLUB

By far the largest organization in school, and probably the busiest, is the Glee Club. From this group come the members of the Octet, the Treble Clef, the Ensemble, and the Select Choir. The Glee Club presents a fall concert, a variety show, and a spring concert which culminates a two-day clinic under the direction of a nationally prominent conductor. The smaller groups present the Christmas program, participate in the Valley Clinic, and are in constant demand for appearances before civic and school groups throughout the year.

ORGANIZATIONS

Student Council

The school year 1967-68 was another busy one for the Student Council.

To carry out a campaign pledge made by some members last year, the council sought and obtained representation at faculty meetings. In addition, council members worked with the faculty to produce the controversial, although finally adopted, dress code. The group undertook two student exchanges during the year with Woodland Park, the newest member of the Pikes Peak League. Finally, it was after a specific recommendation of the council that the regular use of the flag salute and the National Anthem were re-introduced as a part of the school day at Salida High.

Of course, there were many other, more traditional duties carried to a successful conclusion: the approval of a new Salida High school class ring; conducting of ceremonies for the opening of the new Field House; and sending a Christmas package to the Salida High sponsored school.

NATIONAL HONOR SOCIETY

Front row, left to right: Laurie Everett, Melinda Meyers, Carol Veltri, Cheryl Maltas; second row: Mark Peterson, Bill Friend, Kirk Smith.

Election to the National Honor Society is one of the highest academic honors a student may receive while in high school. Seniors must have a 3.0 scholastic average for their high school careers in order to be eligible for election, while the junior grade average must be 3.25.

Scholarship, however, is only the basis for eligibility. The faculty, who choose new members each year, also weigh leadership, character and service before the votes are cast.

After four years of preparation the final moments have almost arrived and many seniors find that they still have a great many last last minute adjustments.

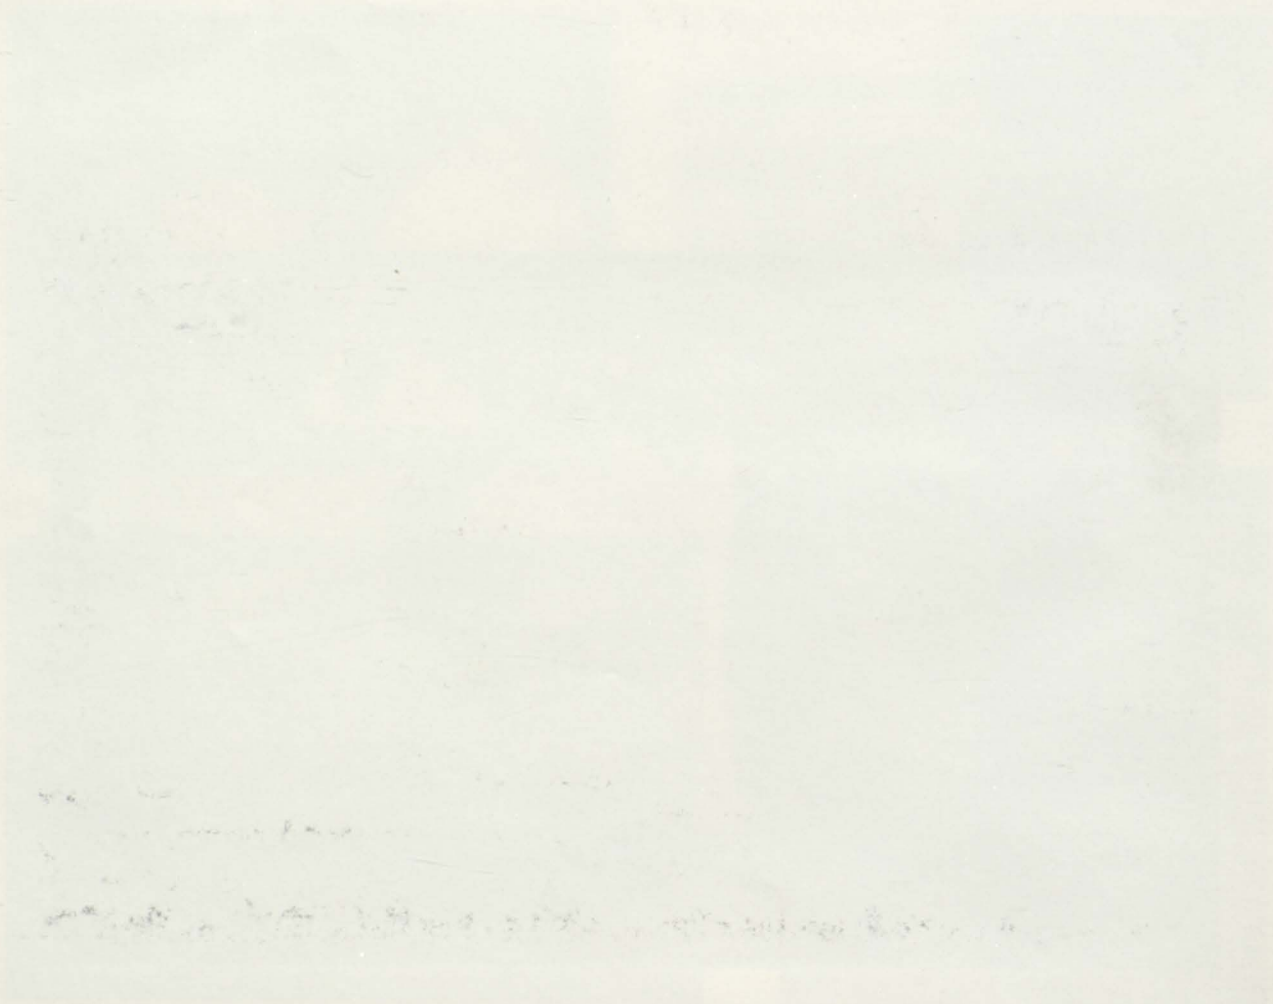

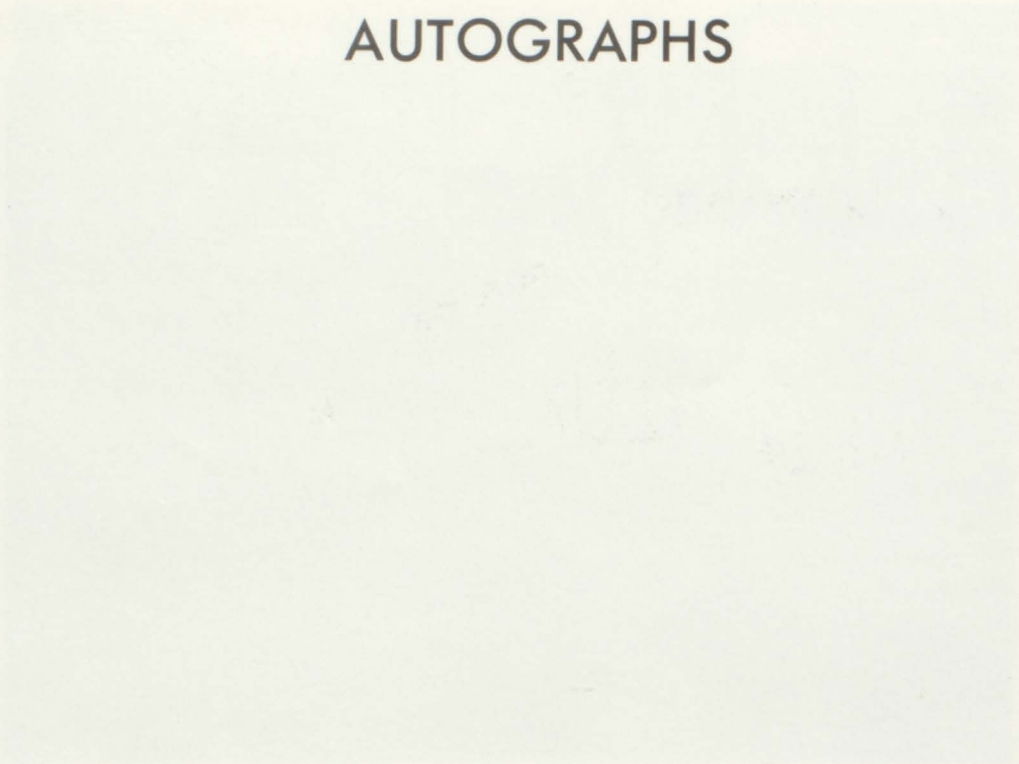

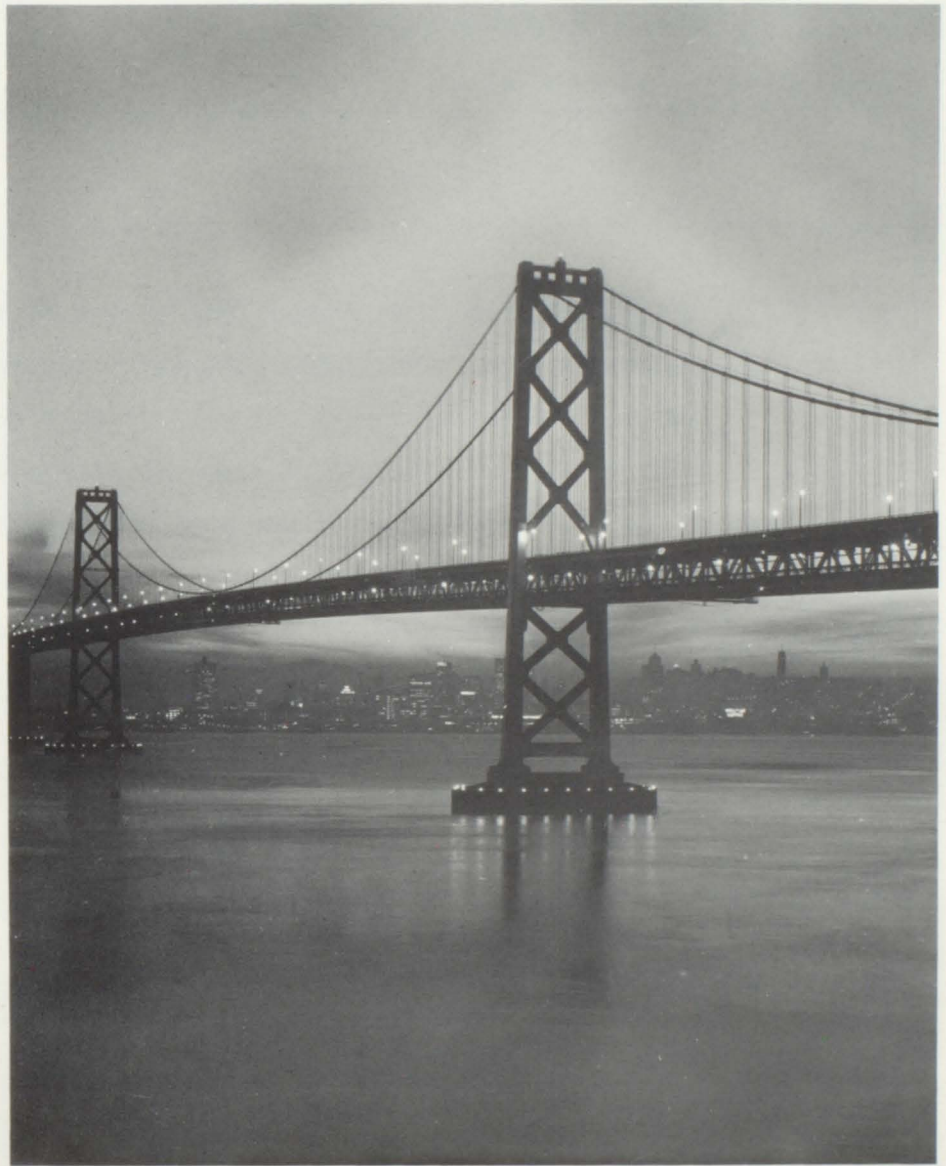

Some become ill, others check tassels, a few seem unconcerned, while others pose confidentially as the end approaches
