

Salida, Colorado,

December 31st, 1909.

To the City Library Board:-

In regard to the request that was made to the Board of Directors of the Tuesday Evening Club by the Chairman of the Library Board, in reference to the rental of the Assembly Hall for dances, our Board begs to state that the Hall has never been rented for such a purpose. We rent the Hall only to proper parties, for business or social purposes as they may wish. We feel that under our lease we have the right to use our judgment in these matters and respectfully call your attention to the terms of the same.

In regard to future communications between the two Boards, we would ask that the same be done in writing, or by a representative of one Board in the presence of the other.

Very respectfully,

Lily D. Mosgrove,

Corresponding Secy. Tuesday
Evening Club.
