 such as iron buildings  
 please let me know if

it is necessary to attach everything  
at the tunnel direct to St. Elmo  
Yours Respectfully  
Thos Elton

Denver, Nov 7<sup>th</sup> 1883.

Dear Sir,

In reference to cases No 412 + 413, South at al & The North Fork Consolidated Mining & Tunnel Company & Becker & same, you will remember I wrote you for the amount of the costs which you sent me, & which amounted, according to your letter to \$57.80. Mr. J. M. Smith of Salida, attorney for the plaintiffs in these cases, agreed to dismiss these cases, if my client the above Company would pay the costs and deed to the plaintiffs the mining property in all part. This was agreed to by the Company & Mr. Smith.

agreed to send to read the  
the forwarded to the Com-  
pany the necessary checks,  
proper checks to be executed  
by the company & delivered to  
Helmuth the cost paid &  
sent to Wisconsin. The Com-  
pany has sent me the cost which  
I mention - I have frequently  
written to Mr. Paulsen for the  
checks but have heard  
nothing from him. I now  
wrote you to ask if Mr.  
Paulsen has spoken at all  
to you concerning the matter  
& left the checks with you.  
Of course if these checks  
do not come, the cost will  
be returned to my clients &  
the cases will have to remain.

Yours Truly  
Horace South  
384 Lawrence St.  
Denver, Col.
