came home in it, took

went to Marshall Pass Tues 17

Charles M set up and

spent evening Wednesday

~~evening~~ listened to Joe Louis

Prize fight up all evening

before

Ray Suddon over day

before yesterday

Had quite a frost night

before but freeze some
ice, not here however
a little snow on mts a

Sept

Couple of days ago

22 More or less Chelly at times
a few heavy clouds floating
around. Freek knocked every thing
theaters to morrow. Ray
Snedden out fit.

Boys thrashing at Ted Stone
to day.

about finished irrigating
other side of river.

was up in Demmons to
day, fix the usual break.

Northern Lights last night
thermometer down to 40

24 - Tues. Nice to day.

Boys thrashing at Otto Burnett.
Wendell & Orval Followeder

I finished irrigating other side
of river

has up three pasture ~~just~~
lot of water runs out if it ~~is~~
trashed yesterday

30

Mon. More or less cloudy to day
Pleasant tho' more sun than
clouds

Tringating down over hill
and patch above timber
and a good head over opposite
on hill south. Took terrace
in a head in All Waste Pat 78

Took went back to H. Collins
along with Gordon Starbuck
yesterday morning along Sunday.

Huffmans from Pueblo
here from Pueblo yesterday
brought me up a pair of
overalls some thing that is
almost impossible to get.

a saddle for a friend to go
deer hunting on

13. Sun. Up to day Thermometer up to
54. down to 40 now 7 P.M.

Nothing doing to day. Elmer
Cooper stopped in awhile to night
Mills went hunting on Marshall
Pass day before yesterday
Orville Freeman went hunting
back of ranch, didnt see any
things but does & fawns. Several

Oct 1946

deer and a couple of big elk
and a bear have gone by.
Lynn Huffmans party killed
a bear in Greene Gulch
Shot off Del Monte detach day
before yesterday about the
earliest ever shot it off
39 years ago to day we went
hunting on Middle Creek
Joe, Fred Caldwell, Charlie
Miller Frank Comblin, Bert
Burnett, and myself. We
were all from Chickasaw
then

15
just nice to day.

Nothing doing much
Clark Weaver down
Plenty deer & Elk and
some bear passing down
the road from the hunting
region

(Oct 1946)

19

Nice to day, a little chilly
All more or less nice. Leaves
more or less green yet due
to the big freeze a while back
which froze them and still
hang on. Instead turning yellow
and showing decay

Frank Seung here to day
Jim Randall came up to
day after a summer with
Clouner sheep upon Wadsworth
But Burgett down yesterday
for a while

Mills and Dewey Dawson
got back from hunting on
Spring ^{cut} where they killed
a deer were on Marshall
Pass got nothing

John Wagner up thru 17 ^{mi}
been hunting in the Marshall
Pass Country

Oct 1946

22

Tues - Sure fair to day
Thermometer 60°

Hardy & Farrell & wife stopped
to get some drinking
water. Chained water
makes her sick when they
get in town

24

Some what chilly to day
not bad, 50°

Bailey went to South Park
along with Ed & Ted O'Hara
after a cow and calf that
they lost a couple of years
ago when they had one on
Pasture over there
Walt and Mrs Skeen called
yesterday, first time been
here for 25 years

28

Mon - Fairly nice to day
A lovely wind sweeping around
the house
Bailey gone to gauge along

with George Smith and
Emma Hale

Young Joe was up getting
the names of Cabinet members
I had to phone down to
John O'Connell to get some of
em.

Boys sawed up
some wood this afternoon

yards with Mills and O'Connell
yesterday. They were shipping
some stock

Leslie Bush Secty of the
Elks here this morning collecting
for Boy Scouts

~~Oct~~ Nov 1st Rather cold last night
dropped to 20 this A.M.
Bailey and Mills went over
to F. Union tonight

Jim Randall came back
from Mutton yesterday
Bailey in town some date

Nov 1946

Ray been sawing wood
up in Pinos
Bailey drove stock yards
the 2nd

3
Oval Cope up day before
yesterday hunting a colt
Sun. Sawing wood or
less all day. Commenced
yesterday morning, about a
foot. Drives has 17 inches
and everything tied up
Nothing doing. June, Bailey
and I playing pinochle
to pass the time
Charlie West up to night
been bucking snow on
Kocha Pass all day and
all night. Thermometer around
20°

5 News to day Election
Apparently gone Republican
Went up with Joe Curtis
Cool hope here this morning

9^{am} Snowing more or less last
night, yesterday and turning
to clear up to day. Thermometer
down to 20° at this writing
at 5.35 P.M.

Elmer Baring and his
daughter Chardne Finley up
this afternoon

Otto Burnett stopped in yesterday

Only about 8 inches of snow
with all the snow that fell
The Old Hereford cow had
a calf. I don't know how
many she has had but a
lot of em

Got a lot of snow down in
Dunwo Country, road all
blocked

Nov 46

14

Shed Clear the last few days.
Warm and a wind blowing
to day which is cutting the
snow. Didnt have so much
here but down on the Plains
and east of Pueblo it was
fierce 3 or 4 feet deep in
places. Shipping hay in
air Plains and dumping
it out to stock. The boys
down there will remember that
Walsenburg Country especially
Bailey quite a breeze to day.
Both of us went down to
Mrs Shewalters funeral yesterday
barricade in Poncha

Went down with Myrtle
Carrage back with Jim
We had to start feeding
Some

Nov 1946

18

Wednesday bright and clear
Nights get frosty - Same yesterday
Jim Ruedel left this morning
for Calif. Sorry to see him

Go -
Been playing pinochle but
gone back to Casino

Albert Huffman and Nassau
here yesterday for awhile, came
up from Pueblo

21

Went Snow Cloudy today and
windy, not cold

Jim left for Calif this A.M.
went over to Garrison on
his way the other day. Came
back and went back to Nevada.

Toas

Nothing doing much yesterday
But Bennett down day before
yesterday - Had a meeting of
Nocturn over at Community Hall
night before last. Nell & Baby

Nov 1946

23

over dual Fullmovers
want to Wyo. for a few days.

Warm to day wind took
off a lot of snow

Wagner and young McMullin
stopped in yesterday hunting
stray cattle. Wagner bought the
Oklahoma Place

26

Two More to day. Snowed
day before yesterday about
4 or 5 inches

Bailey came back from
Denver. Went down day
before yesterday with

Ostera Cattle

Clair Lewis and wife
Coal miners from Utah

came in on way back from
Holly Colo. to break staid
all night. Left yesterday
morning.

A young fellow by the name

Nov 1946

Taking subscriptions
for papers in the interest
of veterans who are
buying wheel chair and
other equipment of that order
Food Cooper, Emily & kids
up last evening

30- Sat Last 2 days have been
fine, taking snow off.

Nothing doing much in country
a bunch of calves yesterday
and some to day. O'Hara boys
helping.

Sam Cohen and Pitter here
yesterday, just dropped in

Eminent Shewalter stopped
in to.

A bunch of antelope are ranging
around the hills east of Pacific
driving over from South Park
by the deep snow over there

December 1940

~~2nd~~
2nd

The last few days have been fine. a little wind to day

Bailey went over to Downer's in San Luis Valley. Alder went over with Miles with a Downer's calf, bringing one of ours back

Wade went back to Ft. Collins Sunday day before yesterday. Nothing else doing much. Coal strike means

nothing. Suppose there will be

confiscating our wood

Orval Fullenwider staying for dinner twice Monday or Sat 30th

~~4th~~ 6th Fri. Nice to day, at the house hazy clouds hanging around Clarence Ayer came in to night also family from Phoenix Ariz.

Sam Cohen and Hoop Patten here yesterday for awhile vaccinated calves

at Ottoras 3rd

Dec 1946

Bailey and Mills went
over to Community Hall
to a Stock Association meeting
last night

192 Thur. - Nice to day - Some
windy to night

Bailey and Mills gone to
over to Community Hall
to a stock meeting

Mills was at Pueblo yesterday
some business Bailey was
going down but couldn't get
started -

Sam Chen and Harry Peter
here yesterday for awhile also
a hide buyer.

Johnny Rold stopped in also

going to Hugo went with
Clarence Aye & family so
we are batching again

Dec 46

15-

Sunday Nice to day

Nothing much doing
Nook came home from Ft Collins
last night.

Sold the old Steepford, ^{cow} 16 or 17 years
old

17

Frees - loved snop gas 20° at
this writing 6.25 P.M.

Started in getting "oil" last
night. - No saved the

Joe Ceeon and Ed Hansen here
this morning. Ed hasn't

been back since 1912. Very
few of the old crowd left.

Went to John Woods funeral
yesterday 93 years old.

Dr. Natchez the vet up doctoring
bloated bull this a.m.

Dec 1946

20 Mee to day. Nothing doing much

Bailey gone to town

Got a box from Joe and Belle
from drawer yesterday Christmas.

Time of the kids to remember us.

Mrs. Montgomery stopped in yesterday

tell us about Jim Burns

passing on Ed Steel

"Rawleigh man" in yesterday pm

also.

Sawed up a lot of wood Wed 18

Getting a few Christmas cards

24 Mee to day Day before
Christmas Dawn at Thells

to the Christmas and the distribution
of presents. Bailey and I found
very well as they all remembered
up fine. Jake and Lorraine
came up

Some pots around hunting a
job this a m for he & his wife
Everett coming stopped in

Dec 1946

~~Yesterday~~ Have not seen them
for some time. They went to

Durango some years ago

Bailey went to Jim Bennis
funeral ~~day before~~ Saturday 21st
went with Charlie West

Bailey and Dick Anderson went
to Buena Vista along with West
funeral at Buena Vista

25 Christmas Tree day

Had dinner down Mills

Roy Hockett Cecil Watson &

John Wagner up there we
had some refreshments

26 Thur. - Nice again to day
Jack Crogan and son here
this forenoon wanting
to look at some bulls
Everett Daring and Cecil
here this afternoon also
Jake & Lorraine left for
Denver this afternoon

some on Mondays

Rained last night something
unusual this time of year

Mrs Shewalter Subt of school
up after some historical Magazines
Dr. Ketchum up looking at
roaf that died

Jack Logan & son from
Bama Vista here yesterday
looking at some bees

28 To has been some change
from yesterday foggy more
as had all day and heavy
22 above down to 10 at dusk
writing 1.2.30 which would

make^{it} the 29th now Nothing
doing all just but set
around the fire and we
sure need a fire.

Young Joe come up and we
had 3 or 4 games of Lotto
Keno or Bingo as you may
call it

31

Last day 1946 to boot the
years slide by to frequent

Also Dad's birth day DEC 31, 1837

Bright and clear to day but
rather chilly. 22° above down
around 8 below last night. no
snow tho

Rex Nelson & Jane Wall brought
up a ton of coal

Tom Quinn up day before
yesterday, visited for awhile

Quinn likes to fish up every
summer

Everett Daring and Ron visited

January 1947

afternoon of 28th lives at
Bayfield Colorado
3 Fri Clear and cold, no winds
no clouds but down to zero
to 70 ~~or 8~~ every night
down to 7 ^{below} last night and
about the same night before
down to 7 below with
the above.
Noak went back to Ft Collins
this a.m. Geo Everett over
this morning

4 Sat A little cloudy to day
but warmed up. At
20° at this morning
down around zero in
Texas 25 to 30 below,
in Iowa Illinois

6 Mon. A little cloudy to day
down to 18 to night

Nothing much doing a party
by the name of Quinn & Wispul

in to phone car broke down
from Bonanza

19th - then - then again to day
clear. Nights are sharp
however

Bailey got a 2nd hand
radio off from Hyatt's
15⁰⁰ bucks

Wineer moved out

Curfman Place yesterday

Joe gave dance yesterday

Charlie West. Bailey

and I went down to the

Elles night before last

had a good time. Lodge.

meeting

12 - Sunday - a little chilly and
windy.

Nothing doing much

115 - Wed - Boy some sharp out
to night. This is how ever 17th 18th + 16th
around 4 or 5 below zero

Jan 47

Sent out Income tax
yesterday \$76⁰⁰
Nothing else doing only
cold

21 "was nice to day in forenoon
same as April - not so cold night
Nothing doing much
Mills sent a deer down
by reward yesterday
Vern & Hoffman & family and
Ellen Hoffman and kids
up Sunday 19⁰⁰
about all Bailey and I do
is set around & talked to
neighbors over phone

25 Sat. Not bad to day but some
windy last night quite a
wind

Bailey gone to town
some kid stopped in this
morning to get warm from
Texas going to Oakland
Calif. Sheriff Shewalter was

up. Carl Dowall stopped in

also. Courtesy Patrol.

A party by the name of Luke stopped and rested quite awhile last night, on his way from San Luis Valley to La Junta. Alld salesman.

29 Some cloudy to day, and
kinda of snowy looking
to night

Bailey and Charles West
went down to Elcos to night
I didn't go. Young Joe came
up and we discussed different
things.

Sil Post, Ed Hard, and
Ralph A. Post here this after
noon talking over cattle range
Bailey and Mills went over
to Community Hall with
George Smith and Bert
Bennett to go over Forest Reserve

Last night

Rex Nelson and another party brought up a ton of coal last night -

Mills and Myrtle took Bailey and I, ^{to a} ride Sunday 26 went up to Poncha and down to Salida and back via the Mesa

10:30 P.M. Started in snowing

about an inch up to date

310 - Saw this is one nice day
Net wind blew and the

air was so full of snow you
couldn't see anything. Net
so cold had ~~over~~ ^{down} to 18°
at this writing

water got black on the pipes
so Mills and Joe went up
to head and found crew had
stopped water from going
in to tank

According to road a

Febr. 1947

Diff. Cold wind is due tonight
not here as yet

Been calling up our list
of subscribers, & pass the
time away normally, Coopers
Kuffmanns, L. Clark, Tuttle
Wales, Rawsons, Mericas
et al.

Feb 2nd - Sun - comparatively warm to day
- not so cold

Nothing doing much

Bailey down town yesterday
Mrs Merce stopped in
yesterday evening left
some magazines

4 Tues. - To day has been much
compared to the East, zero
at Chicago so here, warm
and sunny

Art Burnett and George Smith
here this morning

February 1947

6
Thurs. 'Mae and Clea today
Thermometer up around 50°
Emily phoned in and
wanted Bailey and I to
come down and play cards.
Didn't go, couldn't get organized
Radfield boy and another
kid up hunting a horse yesterday
10
Mae. Fair today Thermometer
around 30° at this writing
at 10:25 P.M. Nothing
during much today
Ted Henry here a little while
yesterday afternoon
was pretty frosty night
before and night before that
from 70° down to 8 below
Days were not bad, no
snow the
vacuumed a few cows
day before. O'Hara says
down helping
Clark Wimer here said he's

February 1944

and had a look on her -

Heard from Mrs Kler this
a.m. down at Brush Colorado

11

Tues - Nice day - but night to
cold Lynn Huffman Elmer
Cooper & Floyd Cooper up
to day hunting a woodchuck
& peeped out an old mine

12

Nice to day. Charlie West
up this morning visited
a while.

Went to Barnetts to day, Mills
and Bailey went up first
and weighed a bull 800 lbs,
a yearling, came back took
a 9 months old steer, 500 lbs,
I went up and visited Bert
for a while.

Ants crawling around to day
Hydromet froze up last
night I thawed it out
about mid night 10° above

February 1947

15

All the same as April
Nights some chilly tho
Nothing much doing
Harry Pitter and Sam
Cohen here this A.M. Cash
buyers. Just stopping
to visit tho
Elihu & Floyd Cooper here
also.

18

Tues - Clear and cold to
night down to 17°
Baird down town this
afternoon

Charlie Miller. Jack Barsh
& Charlie Denton here to day
from San Luis Valley visiting
a while

22

Sat. Fairly nice day
a little chilly.

Baird was down town
this afternoon
Young Jimmy West stopped

in awhile this afternoon.

A couple of young fellows
Therman Missionaries stopped
in yesterday. Nice looking
boys. Washburn & Green
by name

24 Harry Williams of the C. O. P.,
brought up a load of
"cake" day before yesterday
Ther. Some dust chelly to
day and to night. a slight drift
of snow last night

Heather here to day to see
about getting the Chiskin
houses down at Joe houses

Mills was over to George
Everetts helping him dehorn
Charlie West and kids up
yesterday and visited awhile
Therometer down to 16° now
at 10.20 P.M. then writing

Feb 1947

27 Thur. Not so bad as
some places around 45°
here. 11° in Denver
snowing some to night
shift about an inch or two
Last night was cold. Snow
around zero.

Nothing much doing.
An Air plane was flying
around last, about midnight
got like it was last.

Been stormy for a week
more or less on the north side.

Marsh 1st These last few nights
have been some frosts, down
around 8° above 22° present
writing down around zero
at Denver and 10 or 12
below in that country last
night

Daily and Wells down
to Forest Reserve Coy bud

to day Bulley and Mills
at Sales ring in afternoon.
Bert Burnett and George
Smith here this a.m.

Bulley & Mills went to
Forest meeting with them
Charles West visited outside
this afternoon

57 years ago to day I
was having a great time
hunting ducks, lots of em around
It got good and cold that
night too, down around
zero, during the day it was
pleasant had ever, this was Marsh
first 1890

of

Fairly nice day
Nothing much doing

Bulley went over to Hayes
Joe brought him home
Porter that bought 1 Holbeins
much here wanting to buy seeds

March 1947

Didn't want only a few
over K.L.Z. Rader said
Highway was going to remove
Harry Horkins from his
grave from Dead man Canon
where he has been buried since
Mar. 1863 to make room for
a highway. this is between
Canon City and Colorado Spgs

9 Sun - Fairly nice day
Not cold. a squall of
snow from the west
laid about 3 or 4 inches
last night

Bailey gone to Denver with
a truck load of Cattle Post
from Ottovas. Left this
after noon

Bailey down beside
yesterday
Ed Ottava here ^{day before} yesterday
for awhile

March 1947

14

Snowing more or less
all day not much snow
fell either. Thermometer
down around 16°

A good deal of snow has
fallen on the Mts. Last
week 109 inches on
Marshall Pass 87 last
year at this time

Bailey down town this
afternoon.

Two kids slept out in
saddle room or cot

last night. Come in here
1:30 A.M. in the night

Didn't know they were
here till this A.M. Gave
them their breakfast.

From Halper Utah here
going to home at Fredricks
Col.

Bailey got home from Denver

19

day before yesterday
Meal - Me to day red springs
was in and clear

Billy was down town this
afternoon - Traded the old
light up for another yesterday
The old "Chevy" was about

June
Baker and Mello over to
Community House last night
Stock Association meeting
Went over with George Smith
and Bert Burnett
Earl Wilson & Madson here 3/16
also Clark Wimer, also Carl Porter
Porter brought Jim Manderson
back

Heard a coyote last night. first
one for a long time

Blue birds arrived also

March 1947

20 Nice to day Lake Spruce
Bailey and Mills over
in San Luis Valley to day
Bailey was over to Community
Hall last night Stock Association
meeting

25 A little blizzard to day
not cold Snowing
on mountains yesterday &
and day before with one
inch or two down here
night before last
Bailey and Mills gone over
to Community Hall to a
Stock Association meeting
went with George Smith
and Bert Burnett
Oliver Berry & Rex Nelson
and up this am and
got a couple of dead
cows. They had me to
food rendering by out at

Meals Title

Wook came in night
before last from Hollins
He had 2 friends come in
this a.m. from Ft. C. to

visit
Wook Bailey and I drove
to High School auditorium
to see a picture of Colo.
History, very good

Put out an interest of
Colo Historical Society

Mr Hurway in charge

Chick has come down
day before yesterday to work

Haubing Monroe now

28 Fairly nice to day (Friday)

But Burnett and George &
Smith down this eve
taking over little pasture
Forest Reserve etc.

Bailey and Wook went
over to Community Hall here

things
Bailey and Wook up to
offered this evening or
afternoon
Two fellows stopped out
here this A.M. wanting
some thing to eat
Hitch hiking to Rice Creek
Bailey and Mills up at
Barnetts and Ralph Post
regard to pasture last night
Harry Williams brought
a load of "cake" up today,
Bailey over at Graue
night before last
went over with Bergmann -
Lester Holman - Gene Wank
and a beaver trapper here
this morning

30 Sunday Nice day Nothing

much doing.

Wak went back to Fort Collins
Myrtle took him as far as
Denver

Clark Wines here awhile
also Harry Williams

Burley had a meadow
look yesterday

Ray steps handling last night

Sam Cohen stopped awhile

Apr. 1st

^{thru am}
Jesse nice to day some shell
squally at times

Joe Rose here for a little while
a Mr and Mrs Cooper called
last night & spent the evening
want to rent the Coopers House
in Buch. She was here
yesterday and he this after
noon

Got a kid here was handling
a job from Va. Soldier fresh

April 1947

17 years old - was from
Warrensburg Mo. and Bronx
N.Y. City. Stephen G. Phelps by
name. Clark Wims been

4 ^{yesterday}
Liz - Sawing an mt.
and some what road this
afternoon.

Ralph Chatfield and boy
dropped in this afternoon.
was here yesterday morning

Hasnt been here for 10 or 12
years was up prospecting
over in South

The prospector employees up
this eve to give the house the
once over Probably come up

Monday Henry Jensen by

name. Pleasant appearing
couple

Audrey Bennett & McLean ditch up
yesterday

April 1947

12 Cold and raw to day. Thermometer
down to 32° awhile ago.
Bailey, Mills & Bennett went
down in San Luis Valley
to day. Didn't get back till
8.30 this Eve.

Jensen's went to town this
eve.

Merle Gregg here this A.M.
wanting to borrow a disk
chainaw.

Bent Bennett George Smith
Bailey & Mills went over
to Jefferson in South Park
yesterday. Boys are all
out hunting pasture.
Thompson from Malta was
in on from wanting to
sell pasture. Jth ✓

Ed Steel Rowley from
from Bama Bosto here
day before yesterday

16

Wed - Clear to day, but some
what of a chill on the air
thermometer around 40°

Bulky down town to day
Donald Morgan and Mills
Gregg up this morning
visited awhile

Boys cleaning Del Monte ditch
yesterday and to day

Joe Daxe working too
Got the other ditches cleaned
except meadows

Meritt Demussen brought up
some gasoline day before
yesterday

Rex Nelson brought up
a ton of coal day before yesterday
I was down at West's June 13
spent the evening

Apr 1947

20

Today has been the real thing - Braided. George Everett Sr. Ottawa boys. George Smith (Barnett) - and Smith from Cytosaxi here

Boys been cleaning ditch a. Pocha the last 2 days
Set some trees up there after and had the Populose after them

26

Sat - Some what cloudy and chilly - Snowed about 4 inches night before last and yesterday and a good frost last night
Made beeg up yesterday borrowed a duck harrow

Boys seeding and cleaning

Bailis gone to town

Put water in Del Monte tank

Johnny beeg and Myers

Kid up and got trailer to haul a hog Wednesday

May 1947

a fellow here last night who had
had a few drinks hunting Jack
some body. Had a truck
load of spuds for the said
Jack but didn't know where
he lived and house out of town
was his line

3

Sat. - So day has been
fine thermometers around

70°. Clear all day

Bailey went to town to visit to
along with the Jensens

Lwas down at. Clarence

Wests awhile

Thells went to Mattie

Sold some acts of as today

to O.P.

Mrs. Bea Birds up last
night got some write up
on Dist No 3

Best Burnett down yesterday
for awhile a lot of smoke

May 1947

and looked like a lot
of cars up the road thought
it was an auto wreck
but just some fire in
the barricade pit Charles West
and Bailey went up
4 nice to day and foot of snow
Dennis' boys down and got
disc horizon

Sat 10 Sat. From preceding page
where last entry was May 6th
Rained more or less last
night and to day. Rather cloudy
out

Sawed up some wood this
afternoon.

Vergil Payne from Ranch de
Hoffath called this morning
I guess we bought his pusher
in San Luis Valley
Bailey and Nell's were down
there day before yesterday got
stuck in mud and stood all

night with Tobler down
there a party pulled in
out the next morning came back
and went to Burnett's to board
Lynn Huffman and family up
yesterday morning

13 - Payne was here wed
negotiating for Puskin Pale
Arnold was here & got some

Golden willow to set out
Mee to day. Day before
yesterday was rainy quite a
little mustard fell

Boys or part of em Baker worked
up at Ottara (Frank) to day
beginning up at Ed p yesterday
Sam Cohen here this after
noon visited while

Dr Nactrick up doctoring
a sick cow to day and yesterday

May 1947

6 Some what cloudy and rather cool this eve. Kuida Cheely in the house Bailey down town Jack Leogon stopped me while this afternoon.

Dennisons down got 1 once oats

No water this morning went up and head gate was closed

Dwls hooting and coyotes howling some last night
run back to fire pump
page

17 - From back page - Had quite cleared up some. Had quite a pain & some snow - clouds on Mts. 18 inches of snow fell on Mousarah Pass, Days down in San Luis Valley to day morning cattle going to take ice below

to morrow Mills and Quess

Go over yesterday
Suck cattle over day before
yesterday Joe Sox and Bailey
had a hay rack to haul the
colours. Some Calif. outfit took

morning picture of me

Myrtle had Mrs Jensen take
a lunch over to me

Harvey was walking around
yesterday saw 3 skunks
and the mallard duck at
the upper place had hatched
and had 7 young ones

22

Chilly wind blowing from
East. A few clouds flying
around.

Boys got water going again.

Mills in Valley yesterday
Harvey snagged the tractor
two day before yesterday.
Stuck in mud. Got it fixed

yesterday

A chicken brought out 8
young chickens, sitting out
in hole in card shed.

Bailey and Harway took the
Everett Roller home this
morning to Adobe Park.

Ed Steel Rawlrich near
here day before yesterday.
Planted potatoes day before,

yesterday and

26

Nice to day. Some cloudy
and chilly nights yet

Bailey gone over to Grange
with Peeler. They came and
got him

Painter's house burnt down

Bailey phoned over and
Harway Jensen went up to
upper place to tell the Painter
family. In the mean time
Charlie Green came along
with another kid and the Painter
girl. Had a tin below out

May 10 47

and come in to phone
Fishing season opened
yesterday. Clint Brookshire
brought some fish. He and his
wife and daughter were leaving
before asking permission to
fish. Spent the evening
Hanshire was up in afternoon
noon same mission, also

Peck

Mrs Cooper from up Peck
here wanting permission to
cut a Bee tree. also a party
called wanting permission
to dig for crabs worms they
before yesterday

30

Memorial Day, —

Three day I stayed home

all day Roy Jones came

along with a load of salt

to take up in hills back ^{over}
of ranch. Bailey went with ^{real} page

June 1947

From 2 pages ahead for May 20 -
June 2. Nice to day, a few light
showers, and the school
went with Myrtle down
to the Cross Lane via Ray
Sweetlands school house
to Colin Campbell's after
young Joe. Came back
by Poncha. A nice ride

... Every thing green
and the creek flowing
in the pastures then came
to Poncha town and
back down over hill
at the village. Nice.

Sweetlands got back
from Arg. today. Called
them up over phone
young Howard and family
up yesterday spent the
afternoon

Wade Gregg up yesterday
for awhile

Howy Jensen and Bucky
went to Hot Springs by train

June 1949

5 - Nice to day
Bailey and Mills went
over to Bon Lewis Valley
to look over another
cow pasture
gone over to Farmers
lev. to night
Myrtle Young Joe Bailey
and I went over there yesterday
down as far as Toblers
rice trip

8
9

Hot to day
Windy to day warm
Bailey gone over to Jimmy
went up to Ottavias to night
Harvey and I came back
and talked to Rawsons
while visited

11 - used cloudy and thunder clouds
hanging on Mts and round
more or less and some cloudy
down around 40 this P.M.
Nothing doing much
Charles Fain and husband
Bennett up this morning

June 1947

Old man Quinn. Come
along from fishing come in
and we set in good and
visited for quite awhile
Ther- cold and hard all
day some sun coming

12

this afternoon the snow
around freezing last night.
Bailey and Mills down
in valley this forenoon
and they said down here
it froze ice and was
down to 27

Mrs Shilthius & sister from
Alamogordo and Marion Boon
son and daughter from West
Va stopped in visited us
Marion use to work for dad
a way back ⁱⁿ 1910 that young Boon
wife along also

John Rold here for a little
while this after noon
Lynn Huffman & family
spent the evening

June 1947

13 Clear to day, pleasant
but a chilly wind blowing
from the East. Working
dunlop. Mills and Young

We went to San Luis
Valley. Thermometer around
30° last night about a

15- Cold a June that ever had
Sun nice to day. Fine
Work got home last night

The outfit that were at
upper place pulled out
Janson, wife, went to Phoebe
at Sacida to night

Bailey went to Sacida to
a dog's used poisoning
meeting night before last
Rode down with Guy / Hall
came back with Ed & Sara

was up to a school house
meeting in regard to change
consolidating facts. Went up

Went to 204

from 2 pages back
30th May.

30th May
Continued

Went up pretty near
as far as the Groves Albin.
Jansen and Messus went on
a fishing trip up at Mapville
Ted Henry down this noon
visited awhile. Davis unloaded
a load of slabs

Old Tom Quinn called on
us to day, from Pueblo

He likes to fish

Jansen building a fence
up by Coyote flume.

Day before yesterday morning
the thermometer dropped down

to 27. Don't know whether
it hurt any thing or not

Rough more or less the
day before. a foot of snow
at Alliance, Neb.

Turn back two pages to page 30
June 2nd 02

from June 15th

with Charlie West ^{and house} visiting to
Eddie Holman down visiting to
Kinda of hot to day from
thing like June
working down Mills and
Nook took cattle out of
Toblers and took care to

22 - Sprinkles
- Longest day or yesterday
and rained yesterday and
snow on Methodist and Mountains
part of Salida also the Main
range - some thing unusual
Clear to day altho cool

Bailey went up to Arboville
with Nook and Thurg for
to get a horse that Joe bought
of from George Hawks
Nothing else during to day
yesterday it rained plenty
Bailey went to town
Jens us last night. Bailey
and I played Potatoes
Rained all day and night

June 1947

the 20th & 19th sawed
up some wood 19th
a lot of planks

Mrs Merica called yesterday

24 Nice to dry but cool
Build some fire evenings
Nothing doing much to day
Some fellows called and

wanted to spray some
paint on shingles I have
called yesterday also

Started cutting hay in Big
Field this A.M.

Swallowed up and spent
the evening. lost nest all
except Frankie

Woot went to Steam

Boat Springs this A.M.

with George Everett Sr.

Stock Association Swanton

26 Thur. Sun nice to day
Real June days
Nothing much done
Oval Cove up a little while
was up at Rawsons yesterday
Barley and I spent the after
noon visiting with Gilbert
Mary, Frank Coulbin and
also Charlie Rush
Knee up them on the June
after noon with easy chairs
watch the Sun over on the
hills on a serene afternoon
and every one was at their
leisure. Mary wanted
us to stay to supper but
we had to go home

30

Rather chilly today. Some
chilly wind blowing from east
altho' plenty warm when out
of wind
Ice came in from Denver

July 1947

yesterday. left for Glenwood
Apps this morning or this
noon.

Joe's cot got out and had to
go up country and look them
up

Doc King here yesterday. He's
seen here for thirty years, visiting
from Calif.

Mark got back from Steamboat
Apps Sat afternoon

Merle Glegg came along and
raked hay this afternoon

Bailey was going to
2nd - see to day. Harvey Jensen
arriving. Rest of boys

haying Big Field

4 of kids fixing up a
float for 4 of July parade
"hanging a horse chief on
a Pinon"

4th

Cloudy this afternoon some
sun
Drove down to a fair parade
Pretty good. Don't know
how the kids come out
in regard to prize. Was
good whether they won
or not.

Had a lot of good
horses
Nice to day but some cloudy
a shower to night
Finished collecting hay. Big
field to day
Was. De Camp here

Stopped on his way from
picnic at Campman Ranch
where he went with several
others the Gen. Bulky was
up there with him but came
home after an invitation to

stay
Peace by poisonous cure

July 1947

this afternoon. 5 or 6
of em. Lloyd Macapatto
in charge. Got their
houses in Coral
Lew Swallow spent the
afternoon Sunday while the
rest of family went to
a rodeo at Rockfields.
Curt Brookshire spent
the evening last night
was up fishing

12 - Some warm to day

Wade finished cutting below
house and back of Steben
Rest of bunch in valley
Cherry, cattle, Harve & Bailey
went to Marshall Pass
Damon to the bridge and had
punch with the Swallows
Bailey, Wade, & I there.
Had a nice evening
next to the creek across the

bridge

14 Mon. Clear this A.M. More
or less showers this afternoon
Stacking hay below house
Merle Gregg helping
Noak and Young Joe brought
cattle from Wesley Dr Camps
to Shirley today - Myrtle
and I went up and brought
the boys home. We drove
clear to the Buckler Ranch
turned around and came back
and found em just got in
Had a nice ride some rain
in Poucha Pass.

Jensen and young Joe went
to Marshall Bars yesterday
Didn't get back till about
10 o'clock worked us some
kicks. Noak arranged
with Ted Holman to go up
and locate em but they came

this afternoon I took a
Lloyd Macgregor in charge
got them horses in camp
tonight.

eye O.K.

Swallows came up to
day, watch em here

17 - Now - Quite a rain this

afternoon. Been hoping
my for rain for years
So don't kick

Took and young Joe went
to Marshall Pass yesterday

Charlie Frein here for
awhile this afternoon after-
noon visited for quite
awhile

Bailey went to town this
afternoon

must have had a hard
rain on Poucha Pass
yesterday. The water was
yellow with mud

July 4th

18

Nice to day

Quite a rain last night
Ed Steel Rowley came
from Deena Vista here
this afternoon

Bailey gone to town
set a hen yesterday behind
granary

Lloyd Macaratto and his
Prana dog persons here
this ~~A~~ P.M. but for a place
to put their horses.

20

Nice to day, didn't rain.
Mills went to Marshall
Pass yesterday

Miller the beaver trapper
here this morning, set a
a trap for a beaver that
is digging off ditches at
upper place

He and Linton Holman
were here yesterday but

July 1947

didn't find no sign
Thos finished cutting field
above house & this time
started in yesterday but
rained out, had a lot
of hail in upper country
Mrs Fryear called to
day

Some party stopped this
a.m. hunting a grouse for
a McConnet marder

Bates here yesterday hunting
three horses, from Mears.

Jensen went on a

picnic

21

Mon. - Didn't rain to
day. Jensen having

~~Pollock~~

Mells came in Marshall

Pass last night rode

down on train

Jensen got us from

Some others, been about
400 miles

24 Took raking hay
Nice to day silent rain
Commence cutting hay
at upper place to day
Wok took some of his
Pure breeds down to
Padfield Duke Ranch
for Hereford Suspection
70 or 80 cows of touring
Hereford people there
Ollie (Deephen) and
Jimm Deephen and Joe
Julia up to day visiting
Mrs. Lisle, Broton came
up and took me down
to Court House to make affidavit
for George Cambie record
for old age pension
Beaver trapper was up
and caught 3 beaver in

July 1947

a trap. Going to take one
to Grays Creek above Shirley
He caught em some kind
of a trap with no injury
Days also saw 2 deer
at upper place Creek
Daze saw one over
in Big Field. Days water
is getting low in Foxcha
Creek.

Two Professors from
Hawaii called to see
Wendell tonight
Frank Comblin here and
this am.

Finished stacking hay
above house yesterday
eaten up day before
Merle Gregg helping
day before yesterday while
the rest of bunch started
stacking.
Swallow up watching

the operation
26 Saturday Nice to day
Stacked hay at upper
place and cutting bottom
some place
Ben, Lynn, Mary and Ellen
Huffman up this eve, had
a couple of ticks along

28 Mon Quite somber evening
not a breeze some cloudy
Some party from Detroit
wanted to stay all night
Put him out in saddle
abain, gave him supper.
going to Palisade
Another party stopped waiting
to buy some eggs and also
if he could bring a trailer
hauled up for a few days get
out of town
some woman hauled
out her to night said

July

they were two bulls fighting
up in road had the cows
flocked. went up there
and it was Dr. Morrison and
friends

2nd Thur. Wed. day, cloudy in
afternoon.

Stacking and raking
hay other side of river
more or less trouble with
machinery

I was over there while
Jim Randall came in
from Calif. day before.

Yesterday
Wheeler got back from
Silt ~~day~~ before yesterday

went over with George
Swartz to... finished
the upper place yesterday
old man McSeehee stopped
in this morning. pretty

Aug/1947

full. a fellow here
yesterday wanting to put up
some Chevrolet signs

7-

Sun - Some cloudy in
forenoon. Cleared up in
the afternoon. Stacking
hay this side of River
Lee Collins raking

Nothing else doing

Jensens went perhaps
Elks Picnic at Royal

Gorge today. Didnt go
down. Charles went

was up day before
yesterday wanted us to
go down with him, but
he had some relatives
come out from Kansas
so he didnt go

5th Aug 1949
Cloudy and cool ^{Clear}
hangy in Mts
Had quite a little shower
last night -
Jung Rondell and his
nephew here today. Came
back from Niterum. Went over
to Gunnison.

Jansen & wife leaving
in morning
Copper up the Gulch down
and spent the evening last
night, down to night for
a while

7
Same what cloudy and
cool today. Bep finished
stacking Beaver dam and
above pool

A couple of fellows stopped
in and got breakfast
this morning. From

Dodge City, Kan, Kelly,
and Kilgus by name
not bad fellows, some
is full elderly.

The Jensen's left yesterday
going to Washington &
Presume Spokane.

Bill found by the two parts
came here April 3rd

Chut Brookshire stopped
and visited to night. been
fishing. Caught 5 nice ones
"did" Poquette up and
ground a few seakles
yesterday.

8. A howling boat of evening
not a breath of air stirring

10 Sunday - Not to day but
a little hot. Commence to
get a little dry -

Wook and young we
want to bring Marshall Pass

Aug 1949

this morning -
C. Frank & wife here yesterday
for awhile

Had supper down at Mett's
and Myrtle's this evening
Boyd Dunbar here this
morning hunting Jim
Randall! - also and hunt
of Whopper up the Gulch
Then hunting to go up to
ranch and returning to
head of gate was locked

11 - Mon. - Drizzly rain most of
day. Mostly on mountains

! Kuchle damp

Bailey gone over to Grange
Went with Bergeaux. Osters
murder night.

Frank Deanga calling from
George Williams from Dague
stopped in this forenoon
visited awhile.

- Tues. - Some storming at
times.
Noak and Young go come in
from Marshall Pass this
afternoon

Some work out yesterday
washed out a bridge at
Texas Creek killed a
truck driver also had
a wreck on Mameash Pass
a truck ran away. Hunt
a couple of people

15 - Tri. We to buy some
candy and cool in
afternoon decidedly so
Bailey gave over to
Farmer Union to wash
about with Noak and
Young go
Bailey down town to
buy. got the hub

up off from roof of
Cabin this afternoon
take some of the wampum
off from roof
- Frank wife & daughter here
yesterday, from Bon Luis
Valley

17 - Sun More or less cloudy
and raining all day
Everybody went to Buena Vista
to a Rodeo & Lettuce Day
Young Harold and family were
here this afternoon. up from

Pueblo
21 Thur Some what better to
day, altho chilly winds
same yesterday Got up
Sand Patch this forenoon
I rode over there for awhile
yesterday

Aug. 1947

22

Friday - Stormy, cloudy and
cool this afternoon. Got a fire
going, took the chisel off
Back East burning up. Cow
Aep gone from the back
of things 100 to 106 and
course. Filled around
stacked some rough hay on
top of stack

Melle Gregg up. Going to
Wash this eve. at Grand
junction by now

24 - Sun. - Started this morning
somewhat clear but
black and cloudy this
afternoon. Shrey somewhat
in awhile

Bays stacking in Big Field
Wash, Charles West and
young Jimmy young
Jim running the books
Charles the bull take

Took blacking
Mills and Young Joe went
to Pueblo this morning
with Joe & H. Miller for
the Pueblo State Fair.

Scough & cutting oats, finished
yesterday

26 - Tues. Went to dog-barn

conspicuously clear.

Raft hay in Big Field

Jake came up from
Dunbar yesterday

Mills got back from
Pueblo yesterday Young

Joe didn't get washing
on his calf

Dinner party by the name of
trickery from winter then

wanting to buy a piece of ground
to build a cabin that
run in out of Kansas

Gus Latham from Marshall
Pass. here this am.

28-

Clear fair to dry
Morning glow as weel
spray as here to day
Ed Henny; Dick Sneider
Gus Curtis
Frank Cumblin and
Neal stopped yesterday
gave Bill a couple
of shots of wine
Boys stacking hay
Big Field

29

Cloudy and gloomy this
afternoon, rather cool
Boys stacking hay Big
Field

Old man Quinn has
closed his fishing for
this year going back
to Pueblo tomorrow
Mello went to Pueblo
this morning and says
he's back for fair

Sept 1947

Aug 31. Sunday - Fine in forenoon
But cloudy in afternoon
Mills and Jake went to
Marshall Pass this a.m.

3 Wed. Made hay - Boys
stacking hay Big Field.
Merle Gregg up this morning
Nothing else doing around
here

Mills and Jake got in
from Marshall Pass

the Monday. 1st Went to
Son Luis Valley next day

Mark started in cutting
hay in Big Field Monday 1st

4 Thur - Nice to day, at the lake
late in the fall this evening
Got a little fire going
George Cooley up to day withing
also Leo Swallow - Leo
didn't stay long Had the
family and going over in

field to watch them stack
hay but the boys had
finished the Big Field
so they drove back to town
Got a letter from Jim
from Pasadena

6

Sat. Fair but cloudy or partly so
Nothing doing much today
Jake making hay back of stable
and behind house The rest
of crew tearing a lot of stuff
above house
Daisy went to town with
Nystle

Horace Curtiss of Delta Co
stopped and visited awhile
yesterday, An old man
an old hen brought off
11 young chickens 11 sitting
one sitting by the bed
room window

Sept 1947

7 Sun. Nice to day, fine
Ramp putting up hay back
of stable and lower end
Cro Cape up for while.
Ray Snedden over this
morning hunting some
help to thrash.
A couple of fellows stopped
into phone, car broke down

9 Tues. Grey and cloudy
most of day -

Boys building fence
around stacks etc
nothing else doing

Bailey over at Mause
last night, went over
with Arnolds.

Bailey said saw on
Chipeta this eve

shows faint & dry but chilly
kind of looks like frost
apparently a light one
last night. Rained

yesterday evening
was going to track but
to wet. Rely Sneddon over
this morning

Lynn and Ellen Cooper stopped
in awhile this afternoon

Mountains high ones were
high up on Methodist were
white this morning. Bailey
went up to top of Thoreau
Pass with Swallow girl
this morning, about
2 inches of snow up
there

Mills and Jake went
up on Marshall Pass
came back this eve

Charles Wall stopped in a little while

Sept 1949

19

- Sat. Fine to day - thrashing

626 bushels over opposite
thrashing Big Field were

Ray Sneddors machine

Ray Sneddors had a

man. Ed Ottava & Ted

Merle Gregg, Otto Burnett

One boy, Ted Ottava man.

might get kinda of
frosty Had quite a
freeze night before but
some went earlier

Jake left to day

"Ans" Barclay up to day

Had a run away yesterday

horse & string wagon.

Skinned Ans up. Horse

run clear to Poncha and
back again Merle Gregg

caught him when he came

back Myrtle took Ans

to town took and

Jake come up last evening
and wa played Pinocle
Noak and I must Bailey
and Jake

14f Sun. Fair to day, but
a chelly wind blew from
the East all day. Thermometer
down to 58° now 10.30 P.M.

Floyd & Emily Cooper &
Georgia Hockett and all
the kids up this afternoon
brought us some cake &
rolls. OK very nice

Finished thrashing this
noon around 12000
bushels.

16 Tue to day Mts. Command
to wash up with yellow.
Noak thrashing at Ofava, all
day. Mills in hills
Old man Quinn here awhile
come up from Pueblo

Mrs Maggie (Linton) Keithley
here awhile this morning
Havent seen her since 1904
Mrs Rhodes and an other
old lady stopped in last
night to phone, had a
flat tire

18 Rather cold and chilly
most all day. Mrs
Came in from Marshall
P.O.s. said it was cold
up there and rained most
all night
Nook and Chick were going
to thrash at Ted O'Farra
but to wet.

19 Fri - Nook and Chick
checked at O'Farra (Teds)

20 Sat. Fair to day altho some
chilly in afternoon
Sage Cohen visited awhile
this morning. Boys

Sept 1947

"Naak" - Check Lase crashed
at Otto Burnett to day
Dr. Wallace. up doctoring
bulls to day

72

Mon. Nice to day - Bailey
along with Wendell - Seth
Starbuck - Ed O'Hara went
to the Guinness Hereford
sale to day \$3000000 sold
to day with 2 more days
on bull \$3500000 +

Mills went on rouse
day one Chelley young
Charlie went up last
night for awhile

75. Tues. - Ma to day. Boys
digging potatoes. Finished
and took out cellar at Canyon
Place. Chas went helping
nothing else doing much
Some Texas parties stopped
this A.M. - wanted to know

Sept 1947

#7 Cloudy and showery
today.

Work been thrashing
at Ottovas.

A couple of fellows stopped
locating Roy Suddow
had old house when we
told em, "Why Indians
must have been around
them -" they were stuck
on this valley the prettiest
they ever saw -

Work & Charley went
thrashing at Roy Suddow's
yesterday, finished it

26 Friday - Nice in forenoon
cloudy and chilly this
afternoon.

Ray including "Chic"
went to Marshall Pass
Bought the Buckle
pasteurized Chic & Nook

Sept 47

Were fixing fence around
sit.

27 near to day Mills went
to Marshall Pass to gather
the cattle. Took the
darning Joe sawed
wood this afternoon

Bailey went to town

29 Fair this forenoon but black
and cloudy this afternoon
plenty black with a lot of thunder
& lightning

Mills left at Marshall Pass
to day. Up yesterday saw
3 Elk a bull a cow & calf
George Cooper Jr., Jr. up this
morning. He is on a Suburban
from noon

Bailey gone to France
with Ted Humeys to visit
Took left yesterday for
27 Collins

Oct 1947

Oct 1st, Wed. - Fair today but rather

Philly.

Nothing much doing
Young Patterson (Hardware) up
last evening and spent the evening
Likes history, local
Mills says a lot deer are coming
down on ranch. See their tracks

Oct 2nd ~~Wed~~ - Fair. Nice in forenoon cloudy
and cool in after noon
"Speed" McLaughlin and Chas
Beery brought up a ton
of coal this eve.
Mills got in from Marshall
Pass.

Oct 3rd Sat. Sunshine in forenoon
cloudy and cool in after
noon.

Myrtle went over to
Mrs DeKemp. Bailey went
with her gone over to
get Mills I could have

Oct 1947

went along - but wasn't rigged
up to go on short notice
World series base ball game
thing. Dodgers (Brooklyn)
- beat today. Even games
tomorrow is the rub

- 6 Nice to day. These last
few days have been fine
nothing doing in particular
Mees went to San Luis
Valley, gather cattle.
Bert Keely from Alamosa
here to day looking over our
business. He is a nephew
of Frank Keely at Salida
who used to be in the
around noon the Bell game occupied
our attention

Oct 1947

8th - Wed - Nice to day, Ray
this has been an open
ball I don't believe I've
seen any ice, trees
still green
Miles riding most of
time.

A cow in a train of him
rock broke down or got
off track out here all
evening trying to get
it on.

9
Thur - Another nice day
Miles over in San Luis
Valley hunting cattle
a party from Clovis N. Mex
stopped out here in
barrow pit to eat lunch
John Bailey a piece of cake
a family today going
to Grand Junction
Myrtle had the Columbus
Club at her house to

Oct 1947

days.

11 Sat. Black and gloomy all day with some rain. Need a little rain. Clouds down on mountains. First day of deer season and the people who are going out. Heard that were 9000 camped on Roanoke Park.

Bailey gone to town eventually not here.

Meeting from Neb. here the other day a farmer and cow feeder - out looking over the cattle situation.

14 - Sun - More or less rainy all day. and last night thundered so it jostled the house.

Sunday night had first snow started in with rain and snow in the

Oct 1947

the morning and been
raining every since

Deer hunting the main
thing. A fellow stopped
in Seabury near my 172
and wanted to get a horse
to pack a deer out of the
Shavano Country -

Chas. West stopped
in awhile Sun 12

Mills brought the cattle
out of the Shirley Country
to day. Was on the old
Buckskin Ranch where
we had em.

Frank Coublin came
in the cabin this morning
in the night some
time. car broke down
and wanted to phone.
Ed Steel the Rowheight
man here to day

Oct 1947

Mills been in San Luis Valley rounding up those cattle. Count filed all of em they are around in the pockets some where. Mills shut down the Del Monte to day.

17 Fri. - Nice to day.

Mills came in from Marshall Pass. Young Joe & Bailey went up to meet him with Dick up

A young man & woman stopped in to phone, car brake down were from Oregon going to Ashe. Y & R came and pulled them in

Bailey said a deer over in Big Field this after noon.

Guering from Cozad Neb stopped in on way back

Oct 1947

from hunting in Sogwood
Park, the party got some
elk and a deer piece
George Smith + Joe Rose
here this a.m.

"Chick" built a wooden
chute by Round Wood

a skunk got among an
old bear back of Round
Wood who was sitting
in weeds. Young Joe
heard the his squeak
and he ran out there
with flash light.

Myrtle and Bailey fired
cannons out down by the
lawn. he was going
over to shoot a deer he
said.

Oct 1947

19 - Sun - These days are all
sure fine.

Family Cooper & Kids &
Georgia Hackett & Kids up
to day for a while

Boys run some cattle in
corral and looking them
over

20 Mon - Another superb day
nothing doing

Didn't catch no skunk
got my traps eventually, but
I got loose the way things
were too up

22 - Wed - Rather stormy
and breezy to day. a lot
of thunder about 2 a.m.

Old Tom Quinn spent
part of after noon; been
fishing

Yella out was fine. Bert
Burdett down and ordered

Oct 1947

us. I haven't been down
for some time

Mrs De Kemp from Pine
Linn Valley over helping
Miles work some cows
over

Sights want out on us
plumb dark for an hour
finally get em fixed

25-

Sat. Fair to day but chilly
nights. Frogs are lost
night to some extent down
to 24° at this writing
nothing during "Chick"

hauling woods, got
a lot piled up out here
Miles up in Group County
~~just today~~ got 1/2 head to day
Went to O'Hara's day before
to brand

Oct 19 47

28 Tues - The last few days have been fine - warm chilly nights however, Harry Richardson brought plows home he borrowed Ben on an Elk hunt at Saquache Park. Killed a big 7 pointer with a heart of horn of 62 inches & Merle Gregg up this morning reset a wire, going to Utah Ponds -

Daily was over at the Grange last night, showed him a good time some of the women kissed him. It was his birthday also gave him a coke

Killed a skunk yesterday morning. Been prowling around nights for some time eating eggs &c. Put a netting

in a coop to break her
up, and the skunk got in
thru an aperture, but couldn't
get out. He killed the hen
and we killed the skunk
with a small bore shot
gun.

A man by the name of (27²)
Anderson an uncle of Mrs
Coopers up the gulch stopped
me to get key to get thru gate
another fellow stopped to
use phone. Car broke down

29

Wed - A little cloudy to day
but not bad.

Nothing doing much. Mills
had - Cows or "sheep" being
over a truck load of cattle from
San Luis Valley to day

Camp Gullett stopped in
for awhile. All a man and
his boy from Divide Creek

Nov - 1947

in Grand Junction Country
at Middle to see Mills about
buying a car. Move the horse
Philpat by name. Mills
rode with him when they
were going over the forest

30 Thur - Some hot days
today but fair. Some
I cleaned the dining room
over some dust preparatory
to buying some new hardware
finish it tomorrow
Yesterday Emily Cooper
sent up a cake and Georgia
Hockett some cookies. Very
nice of em. Thanks - Floyd
left it on mail box

Wed, Sat, Tue to day - Mills
and "Chick" put down
some new hardware in
dining room this P.M.
Barley was out to a

Nov 1949

~~while yesterday, first time Bert
has been down for quite
a while. Wed. Detachment over
from San Luis Valley to
Lights were out on us
last night for quite a while
last night.~~

wedding reception at
Ted Ottorvas Ted got
married yesterday and
the boys gave me a little
send off

3rd - Mon. - A little muck out
but pleasant

Joe Fuller came along and
Bailey went to Baryento with
him - gone all day - went
up to White Pine, come back
by old road over Monarch
Pass. Got stuck in snow.
Got home about 6:00 o'clock PM.
Bailey and Mills went

down to Hayden this we
to see about cattle.

Jim Holman and Everett
Schroeder here yesterday
Spent the afternoon, had
a quart and made the wood
look brighter

Ed went and Mrs. Huffman
here in fore noon some date

5 Wed - Some what murky
and chilly out to night
and also to day.

Took a truck load of
cattle to Denver this after-
noon (Cowans Truck Mills
went down.

Some Cohen here this after
noon for awhile

Charles West up this way
visited and spent the evening

Nov 1947

6 Cold to day. Thermometer
down to 16° - 9.50 PM.

Nothing doing all day.

Sed Henry here this a.m.

trying to find a piece of
cable for his traces.

Been trying to paper but
day to date. This is about
the coldest night we have
had. "Quick" spluttering wood

9 - Sun. More or less cloudy
a little shift of snow
to night. Mrs Lew Swallow
and girls and 2 wall boys
up this eve. Lew passed
on a few days ago at Temple
brought her remains here for
burial. got into day

11

Saw phenix more or less
at the same what muskups
at times. Nights getting
some what frisky. Down
to 16 the other night.

nobody here to day but
a peddler for some kind
of mineral stock feed.

Thurs My wife and Bailey
went to Loew Swallows
funeral yesterday

17-

Mon - Fairly nice to day
Myco went up around
Shirley to get some poles
with truck. "Tip" the dog
got into some bodies sticks
bats and a loaf with "Tip"
working else during to day
by Mr. Cooper & family up
night before last and
got some young chickens
that hatched out 3 of us

Smith that brought school
here several years ago -
from Alomisa. Dropped
me and visited awhile

20 Thur. Clear to day snowed
about 4 inches last night
and of course disagreeable
nothing doing

Howard Cunnings stopped
me about 10:30 last night
wanted to phone car broke
down. Mills and
"Quirk" getting poles at
Shirley to build a feed
pen

21 Fri. - Bucky and cold all
day. From the way it looked
last night thought she
would be clear & bright
the moon shined cold out
of a clear sky but Friday
to, spit snow all day

It was down to 14° a tenth
while ago. It was ~~strong~~
all the way from 10 below
to 4 above by different thermom-
eters, 4 above some one
said was the official.

Mills was over to Bon
Linn Valley this forenoon

Winkley was out and
looked at the thermometer

8° above 9 P.M.

21st - Tues. Last two days have

been fine thermometers up
around 50° but gets frosty
nights not so cold as has
been

Thiers went up and got
the crippled cow and calf
yesterday. Palouse, Chick also
yesterday, lost his rye rope
Roy Sneddon here yesterday
had some refreshment

Mar 19 47

30

Sun. - Some what mucky
to day, but not cold.
Bailey want to Denver with a
truck of cattle this a.m.

Ed Harris housekeeper
called this eve. A Miss
Harris I believe her name.

Woot went back to Ft
Cris.

Callins this morning -
Nothing doing yet to day

Fri ditto

Had Thanks giving dinner
at Mills & Myrtle's ~~Jake~~
wife. Young Harold & wife and
boy Robert

Jake and Lavaine, Young
Harold & Cida and boy Robert
from Pueblo & "Woot", and
Mac, Harold's mother

Prof. Haushier called
this eve to see about Fish
Pond at upper Place

Dec 1947

Myrtle brought my supper
up to night. By George it
was very nice of her

5 Fri - Fairly nice to day, but
like Dec. you can't expect
summer time

Bert Burnett here awhile
to day, he went to the stock
sale at Paerle with Mills
and Bailey.

Bailey went to Denver along
with "Speeds" truck, Joe Bill Chaffin

Dec 7

Art is in hospital with
a fractured leg. took him down
to day had the ambulance to
take him in.

8 I went to the Grange to
night Mills & Myrtle down
to see Art he seems to be
feeling very well. Night is cold
from this area.

9

Dec 9

I was in to see Art he is
doing O.K. cold again to
night.

11

Cold this year 4 below
14 below at Sunnyside
down to see Art he is
be feeling good Jack
Merica was down at game
him a shove. Kind of
lonesome here alone

12

Nothing new Mills had
a sick calf bloated he got O.K.

13

Chas West and I went to the
Hospital to night to see Art
he is doing O.K. cold night

22 below at Alamosa the
same as Sergeant's pers are
here.

14/5

some old thing nothing
doing the weather is cold
A good bus and motor can work
at the Irevalls R.R. and of

He

Evening and whether man
were killed 3 more in hospital
down to see Art he is OK.
Miss Ferris the girl from
O'Hara's want a job don't know
whether is coming yet
or not he here tomorrow
to see about it.

Dec 17 Maure Ferris came today
she is going to keep house.
I think she will be OK
nothing else doing.

18 Mille ed I were down
to see Art he seems to be
doing well Kenneth Holbrook
died yesterday.

20 Same old thing. Weather
has warmed up. No one came
home yesterday sold a bull
to Gray Jones took two sheep
in a brood. Spent from fair
today down to see Art he is OK

Dec 22 Bays swed wood to day
Chickens, down to select rook
Marie and the razor down
24th went to the Hot Springs
and had a bath. to day
nice and war to day
Marie dress her chest to day
3 weeks ahead of time

25th Went to John Munnlin for
dinner. got a Tom and Jerry at
the Elks Club. Howell took
some down to Art.

27th Warm to day this is the
warmest Christmas we have
had for a long time about 50 in
the shade, Will & Myrtle
gone to Snyda Mills went
to some Pyralis & a Stock
meeting. Note for butchered
a yearling to day, going to
the Hospital this morn.

Dec 28 I am again to day Ted Henry down
to night played cards. down to
see Art this P.M. he seems to
be O.K.

29 Nothing doing to day -

30 Same old thing to day Frank
Zehling here to day.

30 Snowed to day a regular blizzard
about a foot of snow. went to
Sally and the cook went down with
us she came back with Jack

Jan 1st Nothing doing to day. snow
is going of some. stayed home all
day Marie went some where

2 Mills and Nook cleaned out
Art's cabin looks like a
cyclone hit it.

3 Wendell left to day he and
Gordon Starbuck down to
see Art this Eve Clyde
Pittis is in hospital so
is Georgy Wall.

Jan 9 4 8

Jan 4 Ted Henry and I went down to see Art Harris getting along. O.K. The weather is warm for this time of year.

5 Another warm day the bees are out 50 in the shade nothing else doing.

6 Warm again today Marie went with Melba to feed the cattle I set out on the porch in the sun.

11 The same old routine every day. The warmest I have seen in a long time does not freeze some nights went to the sale Friday the

9. took a bull down sold for 22 cows weight 190 by sale \$56.00 gross. Chet Bias up to day to see Marie she rode back down the road horse back.

- Jan 12 Nothing doing same old thing
weather warm.
- 13 cold to day 4 above this. W.
down to see Bert Mills and.
he had lots of company. heard
from Rosetta Day. to day
nothing new with them.
- 14 down town again in to
see Bert.
- 15 Same old thing nothing
doing.
- 16 went to the sale to
see Mills and Wells
bought a steer.
- 17 went to Salida Myrtle
Marie and down to see
Art Otto Burnett and
Ray Jones Overal Coffee
and Pitt Peymal helped
Wells bring the color over
on this side. ship. th. 19.
on a new boat from now
