## Student Council

With Robert Rush as president of the student body, the student council had a very successful year.

By a vote of the council, Leroy Paquette was elected vice-president and Fred Spino, secretary-treasurer.

To welcome the students back to school, the student council sponsored a free dance in September which proved to be one of the most successful dances in a number of years. Other activities that were sponsored by the student council during the fall were: the sale of student activity tickets, the providing of football programs, Armistice Day assembly, Homecoming assembly, and the sending of delegates to the South-Central Association of Student Councils Meeting at Colorado Springs. The usual custom of exchanging representatives with Central high school of Pueblo was continued. Bob Rush and Barbara Ritchie were the representatives from Salida high school.

A fellow member of the South-Central league, Centennial high school, was sent a telegram wishing them the best of luck in their fight for the state football championship.

When the Christmas season arrived, the student council decorated the halls and provided a large Christmas tree for the main hall.

Through the effort of the council, the activity room was opened to the students for dancing during the noon hour. A large number of the new records were purchased for the "juke box."

Members of the council voted to have more formality introduced into assemblies. Also, the members of the council did their best to provide assemblies for the students.

Activities sponsored by the council during the latter part of the school year were: a George Washington assembly, a dance after the basketball season, and the sponsoring of the spring elections.

Our sponsor, Mr. John Burgener, offered much help and many useful ideas to the council.

# SENIOR CLASS

Under the direction of the seniors, the class of '47 started their freshman year. This class was as green as the majority of freshman classes, but after a week's initiation and the whitewashing of the "S", they got started on an outstanding high school career.

There were 121 students in the class. With Miss Mosgrove as sponsor, the class gave a talent assembly. Betty May Fleming was freshman representative for the Winter Festival Queen.

This class was graduated from the "green class" with 98 students enrolling in the sophomore class with Miss Scott as sponsor. Gloria DeGrazio was chosen as candidate for Queen of the Winter Festival for the sophomore class. The class presented a radio skit assembly and held a class picnic at the end of the year.

Under the guidance of Mr. Soles, this progressive class advanced to juniors with 86 members. They gave several pay assemblies to raise funds for the annual Junior-Senior Prom. Gladys Pasquale was the junior attendant for the homecoming queen. Barbara Ritchie was elected junior candidate for the Winter Festival.

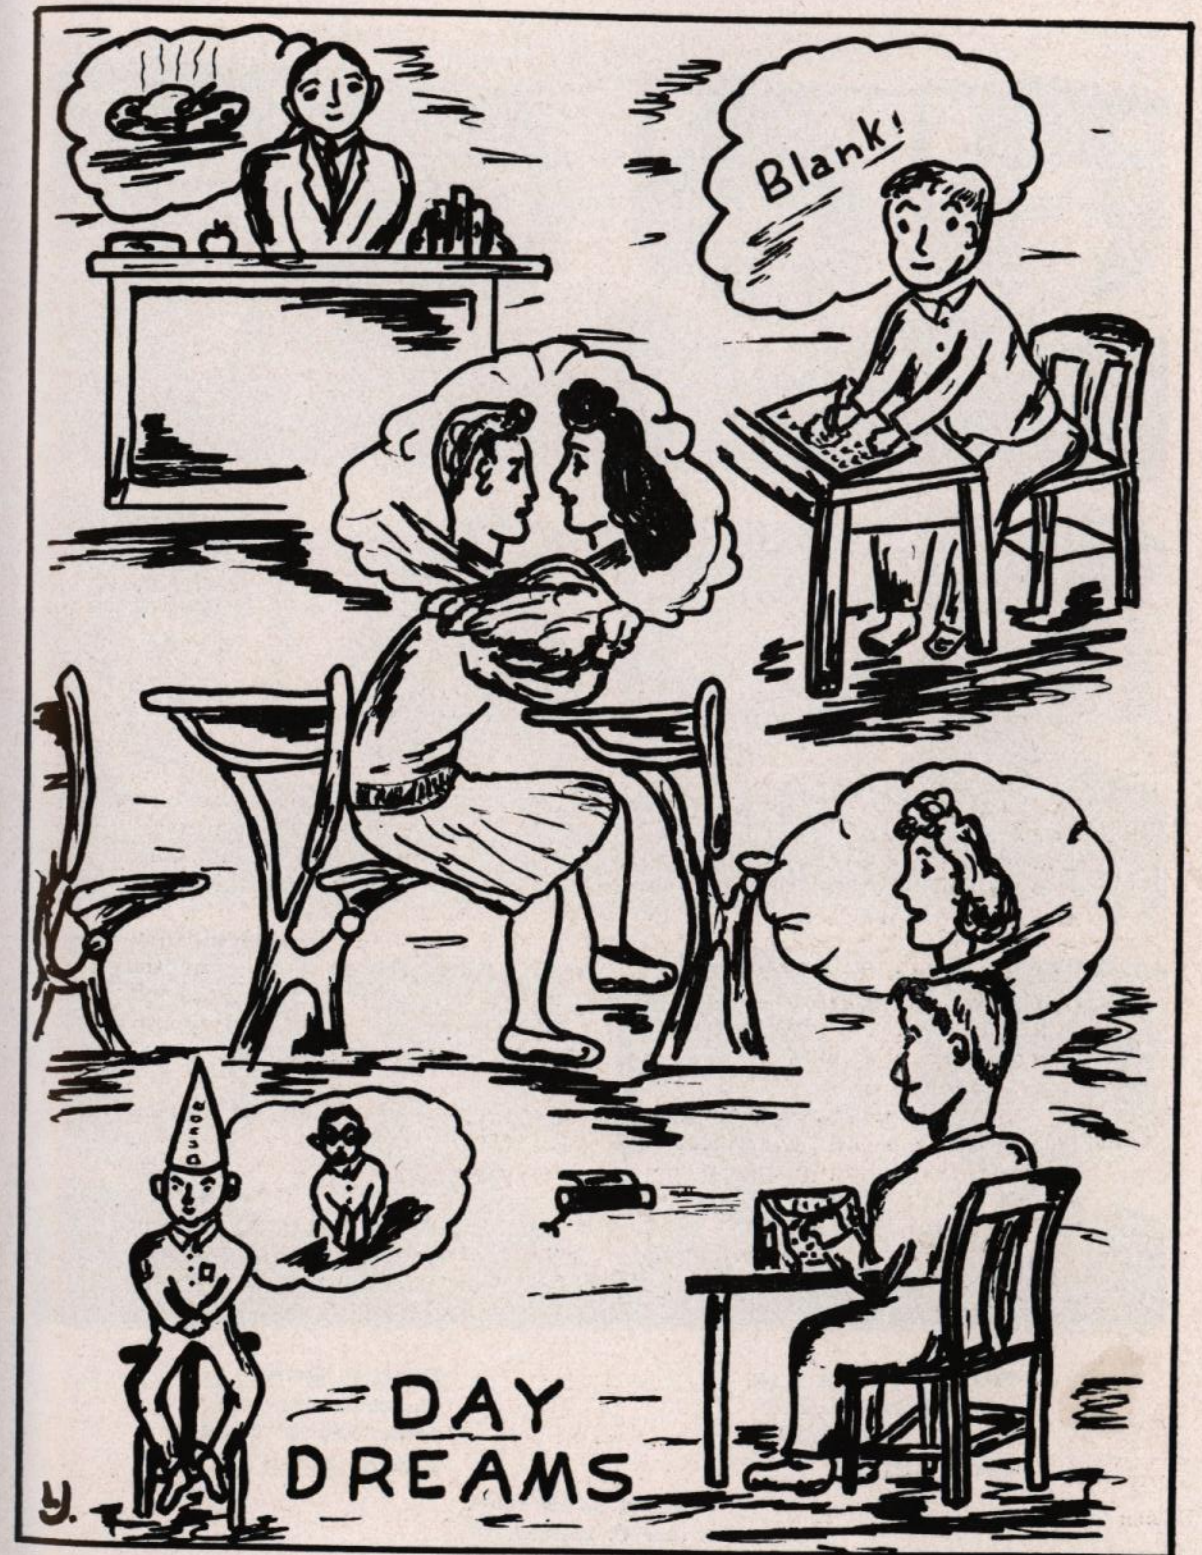

"A House Without a Key" was presented under the direction of Mr. Custer. The Junior-Senior Prom and banquet were very impressive with the theme of "Holiday Inn."

The "Almighty Seniors" began their last year, under the direction of Mr. King, by initiating properly the freshman into the ways of Salida high school. The class chose purple and white as their colors and kept their junior motto of "The higher we rise, the broader the view." The class flower is the red rose. Barbara Ritchie was elected by the student body as homecoming queen with Rosemary Cowan, Sharon Barnhill and Gloria DeGrazio serving as attendants. Jolene Van Meter was elected senior candidate for Winter Festival Queen. The class presented a play later in the year under the direction of Mr. Custer. Many of the boys in the class left to join the armed forces, but some veterans enrolled in school, giving the seniors an enrollment of 80.

This class was outstanding in that no one person held all the honors. Twelve of the seniors were elected to the National Honor Society. Gladys Pasquale, Wilma Burgener, Jolene Van Meter, and Phyllis Rold were elected to the society in the junior year, with Bill Mehos, Fred Spino, Walter Paquette, Herb Southall, Opal Thompson, Margaret Beck, Joanna Martin and Bob Stewart being elected in the senior year. Wilma Burgener was elected by the class to receive the DAR award. Gladys Pasquale was the Valedictorian of the class.

For its colors the class chose blue and white. The motto of the class is "The talent of success is nothing more than doing what you can do well and doing well whatever you do."

High honor came to Vera Paquette when she was elected Queen of the Winter Festival.

Under the direction of Wilma Scott the junior class presented December 13 and 14, a very successful play entitled "Ever Since Eve." The characters were as follows:

“ON FOREIGN SOIL”

On foreign soil  
They lie beneath the sand, the dirt, the snow!  
Why are they lying there  
Do any of you know?  
Whom are we speaking of?  
Those boys that mothers love.  
They went and saw and conquered;  
They fought and died and bled  
For the liberty and freedom  
That gave to them this bed.

by—Zita Granzella

“WHY?”

I sat and watched, the snowflakes fall,  
Wondering just why—  
I couldn't be a light white ball  
Falling from the sky.  
I leaned against the kingly tree,  
And being rather small—  
I wondered why I could not be  
Stately, great, and tall.

## Freshman Class

At a meeting of the freshman class held at the beginning of the school year, the following were elected as class officers: Richard Bratton, president; Kenneth Baker, vice-president; Eleanor Gabardi, secretary; and Dave Lines, treasurer. David Davidoff, Bobby Sympson, and Jerry Berry were elected as student council representatives for the freshman class. Carolee White replaced Bobby Sympson on the student council when he moved away.

By being good sports, the class of 1950 proved during Freshman Initiation Week to have the true Spartan spirit. As the year progressed, it was evident that the freshman were becoming a part of Salida high school. Members of the class became active in many of the school activities.

Pat Frayser was chosen by a vote of the class as Queen of the Class of 1950, and to be a candidate for the title Queen of the Winter Festival.

Other freshmen receiving recognition were: Eleanor Gabardi, Richard Wood, Louise Bement, and Billie Lane as all four were named as members of the scholarship team.

Miss Helen Mosgrove was the class sponsor.

## FOOTBALL

Under the capable guidance of E. C. "Gov." Gruenler and Bill Andreas, the 1946 Spartans finished their regular football season occupying fourth place in the South Central League with a season record of four wins, three losses and two ties.

The first game of the 1946 season was a night affair played September 27, against the team that was to become the Colorado State Champs. This game, with the Centennial Bulldogs, though it had no bearing on the league standings, showed the Spartans what kind of competition they would meet in conference play. The Spartans were humbled by a powerful Bulldog machine 20 to 0.

After a shuffle of personnel, the Spartans seemed to develop an offensive punch.

In the Delta game, played in a drizzle and on a slippery turf, the following week, the Spartans started to roll and they came out on the long end of a 7 to 6 score. The Spartans' 185 pound fullback, Sid Dickinson, scored all of the points.

That the Spartans were beginning to click became apparent when they opened the conference season against the Walsenburg Panthers and defeated them 7 to 0. Dickinson again made the touchdown and Southall converted.

The Spartans then traveled to Colorado Springs to engage the Terrors. The highlight of that game was Chris Argys' 73 yard pass interception runback. This was the first time the Terrors had been scored on, Dickinson converted by hitting the Terror line. Colorado Springs 19, Salida 7.

In the only game of the season in which they scored more than one touchdown, the Spartans utilized both their ground and air powers to score twice defeating the Florence Huskies, 14 to 0. The Spartans' first score came when Dickinson plowed over from the eight, and then made the extra point. Late in the final quarter Dickinson heaved a long aerial to the Spartan right end, Dermond Armstrong, for a touchdown. Southall booted the conversion. This was the first home game and was played under ideal weather conditions.

The next week the Spartans looked like teams of old, for about two minutes, when they drove almost the complete length of the field against Canon City before they sent Dickinson over for the tally. For the first time in six tries the Spartans missed their conversion attempt. Nevertheless, they soon returned to their old form and could not get an offense rolling. They held the Tigers scoreless until the fourth quarter when Young of Canon City scored. Canon missed their extra point and saved the Spartans from suffering their first defeat at the hands of Canon City's Tigers since 1931.

Against the Centennial Bulldogs, the Spartans looked good for the first half, in which time they held the Bulldogs to one touchdown, but after the half, they seemed to melt under the fury of the Bulldog onslaught and went completely to pieces.

# FOOTBALL

At the end of the game the Spartan team had received their worst defeat since the Boulder team defeated a Spartan team in the 1943 State Championship game by the same score, 32 to 0. The Spartans played most of the Centennial game without the services of Dickinson, Gallagher, and Kovtynovich, who were on the injury list.

In the 1946 Homecoming game, the Trinidad Miners were nosed out by a last quarter rally, 6 to 0. An interception of a Miners pass by Don Givan set the stage for the Spartan tally which was made by Gallagher who scored from the one.

A large crowd turned out Turkey day to watch the Spartans let down the curtain on the 1946 season with obviously their best game of the season, against the Central Wildcats. The game ended with the score knotted 0 to 0.

Although the Spartans did not win any championships, they showed the fire and ginger that makes a person a success in life. They also developed the feeling of responsibility that is necessary for successful living.

Herb Southall, captain of the 1946 eleven, and George Theotokatos were named on the All-Conference second team. Sid Dickinson, Ray Person, and Bill Mehos received honorable mention. Southall and Person also received honorable mention on the Denver Post All-State Team.

# BASKETBALL

Starting practice on December 8, the Salida Spartans, defenders of the West-Central league title, under the leadership of Coach Eichman and Assistant Coach Bill Andreas, won 12 of the 16 games they played during the regular season and gained the league title for the third consecutive year. The Spartans also had a B team this year for the first time in Salida's basketball history. The B squad won 12 of the 14 games they played.

In the first game of the season, on December 14, the Salida cagers won from Florence, the A and B squad games 40 to 16 and 30 to 13 respectively on the local floor.

The Spartans then invaded the Pueblo Centennial camp on December 28. The Salida five dropped a 48 to 23 decision to the Bulldogs.

The Spartans defeated the Sargent's consolidated school in the A game but lost in the B game. The A squad won their game 47 to 20 while the B squad lost theirs 20 to 17.

Playing on their own court, both Spartan teams ran up their second highest score of the season against Saguache, beating them 51 to 22 in the A squad game and 59 to 19 in the B game.

Now ready for their first conference game, the Spartans met and defeated Leadville there 38 to 21 in the A game, and 41 to 15 in the B game.

The next night, Salida played at home against the Monte Vista Pirates. After a close first half, the Spartans went on to romp over the Pirates 42 to 22 in the A game. The B squad game ended with the locals on top, 41 to 15.

# BASKETBALL

Next in line came this year's San Luis valley champs, the Del Norte Tigers. The Spartans were defeated 39 to 24. The B squad also lost their game 25 to 16.

The Spartans then journeyed to Center. They won 39 to 33. The B game was closer than the A game with the locals coming out on top 18 to 16.

Postponing their next game with Sargents, the Spartans played their second and final conference game with Leadville. This game was played on the local court before the largest basketball crowd in Salida high school history. The final score was 27 to 24. The B squad won their game 48 to 24.

The next night the Spartans A squad played on the Adams State col- played one of their best games of the season only to lose in an overtime session, losing the game 41 to 39. The B squad easily won their game 23 to 18.

On Tuesday, February 11, the Spartans journeyed to the Sargent's Consolidated school where they won two games. The B squad avenged an earlier defeat 48 to 27 while the A squad won 44 to 28.

The Spartans journeyed to Monte Vista where they played two return games against the highly improved Monte Pirates. The Spartans won both games, taking the A game 39 to 33 and the B squad 37 to 32.

Entering both games the next weekend with revenge as their utmost thought, the Spartans won one and lost one. The Del Norte Tigers out-scored the Salida five on Friday 38 to 32 in a game determined in the last forty seconds. On the next night the Spartans defeated the Canon City Tigers 27 to 23 on the Salida floor. The B squad won both games that week walloping Del Norte and Canon.

On February 28, the Spartans played their final home game of the season. The Spartans ran up their highest score against Center. The score was 60 to 33. The B squad also won their game 56 to 34.

The next night the Spartans A squad played on the Adams State college gym floor against Hooper, winning 32 to 19.

After the season was over the Spartans were then ready to go to the District 2 tournament in Alamosa. Then bad luck hit the squad as Bob Rush, regular center, was stricken with flu and therefore was not available for the tournament. With this impediment, the Spartans journeyed to Alamosa and played their first game of the tournament against Center, winning the game 37 to 24. On the same night, the Spartans played the Cortez five, which later turned out to be the runner-up team in the tournament. The Spartans lost 44 to 41. The next afternoon Salida beat Leadville 39 to 27 and then that night were eliminated from the tournament by Alamosa, 41 to 27.

## BAND-ORCHESTRA

Under the direction of Angelo Turano, instrumental music teacher in the Salida public schools, the high school band and orchestra made excellent progress during the past year.

The band turned out for all home football and basketball games. At pep rallies the band helped to urge the team on to victory. In order to develop material for the advanced band, a beginners' band was also organized.

An outstanding event in the history of the band was the combined appearance of the beginners' and advanced bands at the Homecoming football game. Over fifty musicians participated in the band.

Although the orchestra was small, it practiced faithfully and laid the foundation for a future orchestra. The orchestra played for the Chaffee County Educational Association.

### THE ROAD OF LIFE

The road of life is long and sad,  
It's trod upon by good and bad.  
Traveling it are young and old,  
That wonder what the end will hold.  
The road is long and full of strife.  
We live a sinful, unhappy life.  
There are mire and cliffs along the way,  
Some men stumble, but others stray.  
The cliffs are sins large and small,  
The mire, temptation, teasing all.  
Many fight the battle to stay,  
Then on the last bend lose their way.  
What will the end of the road hold?  
Is it the promised land of gold?  
Do we meet our maker, God?  
Or are we buried beneath the sod?

by Betty Glover

### TYPING

I leave the room with a thoughtful face,  
For I know as I walk I'm a shameful disgrace;  
Hard as I try to master the keys,  
I keep striking the wrong ones without any ease.

Others are scorning and trying to hide  
That look of failure which came with the tide.  
Some are so happy and gleefully typing,  
While others are tired of secretly griping.

I'm determined to type with no errors at all,  
Is it magic or something I will recall?  
I try so darned hard to be a success,  
But all that I type is the messiest mess!

## SPARTANETTES

The Spartanettes, the new name for the Pep Club, elected at their first meeting the following officers: President, Barbara Ritchie; Vice-President, Rosemary Cowan; Secretary, Joanna Martin; and Treasurer, Jolene Van Meter. Miss Eldee Swope was the faculty advisor.

During the football season, the Spartanettes decorated the goal posts and made purple and white shakers. A club social, an assembly, and the very successful Sadie Hawkins dance were projects of the club.

## INTERNATIONAL RELATIONS CLUB

The International Relations Club started out the school year of 1946-1947 with Charles Melien and Peter Szymanski as sponsors, and the following officers: Bob Stewart, president; Arthur Bement, vice-president; Barbara Ritchie, secretary; and Phyllis Rold, treasurer.

During the fall the IRC was active with the concessions at the home football games. They reopened the pop and candy booth by the west football grand stand and did a thriving business during the games.

A record student crowd enjoyed the annual Winter Festival put on by the IRC. The theme of "Blue Heaven" was carried out with blue and white colors predominating. Vera Paquette, a junior, was elected queen by a vote of those present.

During the year, the IRC sponsored a series of forum speakers who spoke on current problems at home and abroad. These speakers came to Salida from Colorado University through the co-operation of the International Relations Club, the University of Colorado, and the Carnegie Endowment for International Peace.

Crowning the achievements of the IRC school year was a trip to Denver to the conference of International Relations Clubs of Colorado to discuss the subject. "One World or Two." The conference was held April 12-13.

## LIBRARY CLUB

At the first meeting of the Library Club the following officers were elected: Dorothy Knickerbocker, president; Jolene Van Meter, vice-president; Wilma Burgener, secretary; and Carolyn June Ramey, treasurer. Mrs. Faye Morrow was the club's advisor.

Some of the responsibilities of the club were keeping the bulletin board in the study hall, aiding the librarian in keeping the books in correct order on the shelves, and assisting the librarian in checking books in and out for the students.

The club had a membership of 12 the past year. Four members are elected each year from the upper 10 per cent of the freshman class.

As a club project, the organization purchased for the school a new "Compton's Pictured Encyclopedia."

In the spring, a social was held in honor of officers and new members.

F. H. A. No. 1

For the first semester the F. H. A. members elected the following officers: Billie Lane, president; Charlotte Thompson, vice-president, Corrine Vigil, secretary, and Madeline Shine, treasurer. At the start of the second semester new officers were elected. They were Louise Bement, president; Shirley Higginson, vice-president; Barbara Britton, secretary; and Geraldine Floryancic, treasurer. Miss Swope was the club sponsor.

Among the social activities of the club were a Christmas party and a Mother's Day tea.

As a club project the F. H. A. members made billfolds for Christmas gifts. During the year the girls made various articles, which they sold. For part of their work the members studied the F. H. A. National Organization.

## S-CLUB

The S-Club held its first meeting after the football season was over, at which time George Theotokatos was elected president; Bob Rush, vice-president; John Glesener, secretary; and Bob Thonhoff, treasurer. Mr. Gruenler was the club's sponsor.

One of the first duties of the year was selling season football and basketball tickets.

When the basketball season rolled around, the S-Club members were on hand to sell pop and candy at the home games. The S-Club entered a team in the intramural league.

As it has done in the past three years, the S-Club sponsored a very successful waste paper drive for the purpose of raising funds for the athletic association.

The event for which the members wait each year is the initiation of new members. This affair was held in April.

To conclude a very successful year, a picnic was held in May for the members of the club and their mothers.

## DRAMATICS CLUB

With Phil Muto as president and Mary Secord as secretary-treasurer, the Dramatics Club held its first meeting of the school year September 19.

On October 3, initiation for the new members was held at the Salida Hot Springs pavilion, with the new members providing entertainment and a picnic lunch.

Hillbillies and refined English royalty were contrasted when the Dramatics Club presented two one-act plays. The first play was a picture of an evening courting in a home where Granny was supposed to "rule the roost." The second play "The Noble Lord," pictured a very pretentious young woman trying to lure a handsome English Lord into her deceptive web.

For their annual Christmas production the club presented Dickens' "Christmas Carol." A large audience enjoyed watching Scrooge, the tight-fisted old sinner, become a new man.

"Family Portrait" was the next production of the club. It was given February 13 and 14. Before a full house, the play showed how the greatness of one person affects the whole family. The play was beautiful and reverent in its approach to Christianity.

Later in the year the club purchased pins for each member of the organization. Medals were presented to the best actors and actresses as selected by vote of the club.

To conclude a busy year a banquet was held in the spring.

Mr. Donald Custer sponsored the Dramatics Club.

With a membership of about twenty, the Hi-Y had a very successful year under the leadership of the following officers: Phil Muto, president; Walter Paquette, vice-president; Herb Southall, secretary; George Theokatos, treasurer; and Ross Passarelli, chaplain.

During the fall, the Hi-Y sponsored a "Bachelor's Dinner." Another project of the club was to help sponsor the Thanksgiving Assembly program. In the Spring, the club went on a ski trip and sponsored a dance.

A basketball team composed of members of the Hi-Y participated in the Tuesday Evening League.

At the regular meeting of the club, held every other Tuesday, topics of interest to boys of high school age were discussed. The members studied those topics that would develop rich personalities. Other purposes of the club are to teach boys clean speech, clean sportsmanship, and clean living.

Mr. Peter Szymanski was the faculty sponsor of the club.

### Y-TEENS

Y-Teens, the new name for the Girl Reserves was made official this year.

As part of its work during the year, the club had a covered dish supper, sponsored a joint assembly with the Hi-Y at Thanksgiving using the theme "America and Peace," attended a conference of Y-Teens at Pueblo in January, and gave a jitney lunch. Miss Elsie Johanson, executive director of the Colorado district, was guest of the club in the latter part of January.

An outstanding event of the club's program during the past year was an impressive recognition ceremony for all new members.

## "Tenderfoot" First Printed Weekly In History Of School

Paper is Issued 32 Times During Year

### STUDENTS ENJOY PAPER

Tenderfoot Appears As Page In Salida Daily Mail

On September 28, 1946, the Tenderfoot, the first printed weekly in the history of Salida high school, appeared on the street. Thirty-two times during the year the Tenderfoot was issued as a page in the Salida Daily Mail.

Soon after school started the newly formed journalism class got to work to learn how to write leads, read proof, write headlines, and learn makeup. Students of the journalism class spent much time at the office of the Salida Daily Mail learning the practical side of journalism.

The members of the journalism class tried to give publicity to all school activities. As students of journalism, the class tried to put out a well-balanced paper, paying particular attention to news, sports, editorials, and feature material.

Members of the class are particularly proud of the fact that they had "freedom of the press."

### SALIDA EXCHANGES PAPERS WITH MANY SCHOOLS

During the past year the journalism class exchanged papers with many schools.

Schools on the Tenderfoot mailing list were as follows: Arvada; Westcliffe; Westwood; Saguache; Crested Butte; Monte Vista; Raymond, California; Tuolumne, California; Cotopaxi; Buena Vista; Fruitvale; and Hotchkiss.

### TENDERFOOT MADE POSSIBLE BY SALIDA DAILY MAIL

The staff of the Tenderfoot wishes to express its thanks to Jack O'Connell for his aid in making a printed Tenderfoot possible. Mr. O'Connell spent many hours with the staff during the past year.

## TRACK

The 1946 track team had a successful season, despite the cold weather that is common to Salida in the spring.

In their first track meet in many years the Spartans defeated a good Saguache squad in a dual meet. For their second meet the Spartans went to Canon to meet Canon and Florence in a triangular meet. Salida tied with Florence for second in this meet. The West-Central league meet was won by the Spartans.

Letters were awarded in track for the first time in many years. Since track is now a major sport, track lettermen are now eligible for membership in the S-Club.

Letters were awarded to the following boys: Armstrong; Mehos; Southall; Makris; Person; Keeling; McNeal, Clair; Ryver; Argys; Baker; Kovtynovich; DeGrazio; McNeal, Charles; Martellaro; Bement; Glesener; and Clare.
