SALIDA PUBLIC SCHOOLS
 SCHOOL DISTRICT NUMBER R - 32 - J
 SALIDA, COLORADO

To The Students of Salida High:

Because you carried on in the best Spartan tradition, you have left an outstanding record that will be written into the history of Salida High School. You have every right to be proud of your achievements in the many areas--scholastic, athletics, music, club work, and others. At the risk of being called prejudiced, we feel that you represent the outstanding student body of Colorado.

We are living in a complex age. Your school has for one of its basic aims the preparing of well-rounded young men and women to assume the responsibilities of twentieth century living. It is our hope that we have fulfilled this aim. From our acquaintance with each of you, we are sure our nation and our community will be in good hands.

To each and everyone of you we say thanks for helping to make this school year a successful one. May good fortune travel with all of you in the years ahead.

FOOTBALL HOMECOMING - with the bonfire, parade, floats, pretty girls, dance, and football game, was celebrated October 7-8-9. Always a happy occasion, the Spartan football squad added to the joy as they followed the advice, "Eat 'em up," offered by the sophomore float at left, and downed the Fountain Trojans 19-13.

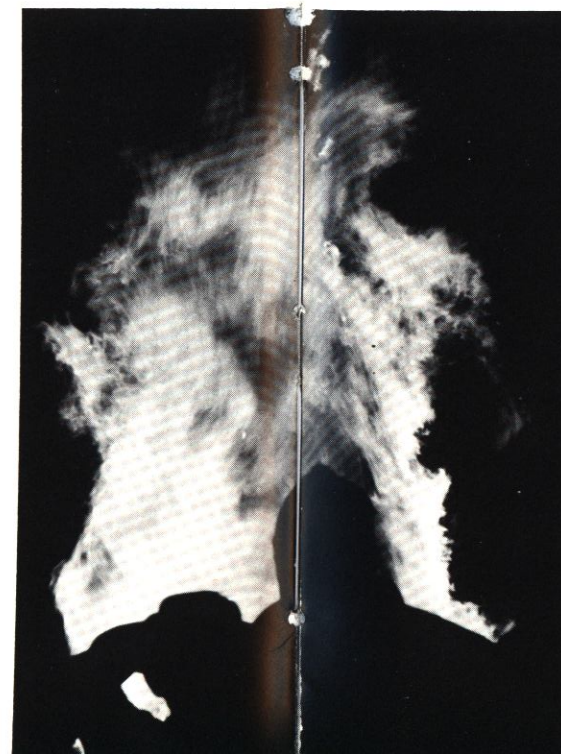

Seen above is the winning Freshman float. Below are queen Sue Maupin and her attendants: Barbara Touben, Kathy Patterson, and Elva Adams.

SENIOR FLOAT - Carl Noice presiding

MORE FLOATS - The float above won second place in the Club division, while the junior entry, pictured below, was typical of those which represented hours of work but failed to place.

Don't,
Do a swell
girl and hard
worker. Keep it
up, you'll no place
and not just to an alter.
Lots of luck.

Dear D.D.

Sometimes I wonder just how I got along without you. You, and your friendship have been the things that have pulled me through a great many trials. Your confidence in me has provided some feelings of self-assurance. Your help in times of need has been indispensable. Your advice has never steered me wrong. And I find that somehow I have become a little better person because of you, and your influence on me. You have influenced me you know. I find myself wishing that I could do just a fraction of the many things you can do. All of the honors in the world ~~if~~ could be given to you, and you would still not be justly honored. Your friendship to me has meant more than words can express. I feel that I can never repay you for all you have done. I only can try. Be as good, and wonderful ~~and~~ as you are now, and I'm sure you'll always be happy. God Bless you.

Love
Bev
