Letter from the Editor

This year, I couldn't be happier to be the head editor of the yearbook. I need to thank Lilyana Modrzejewski for helping me out so much. This was one of the worst and hardest years of my life, but I find peace in making and sculpting the yearbook to be one of the best Salida High School has had. Our team this year was one of best, most fun, and (sometimes) difficult class. I had a great time working with them and guiding them through the process of building something that many people will look back on in the future. I appreciate everything the class offered me, and I have to give a huge thanks to Randy Kapushion, our sponsor, for helping me and guiding me and the class to success and to build a great yearbook. Before I end this letter, I want to dedicate this book to Jeffrey (Buck) Shacklett and his father, Mo Shacklett. Our prayers and thoughts go out to his family. Thank you, everyone for supporting Salida High School by grabbing a yearbook for the year of 2022-2023! ;)

DRAMA

Drama is a club where students work on building the acting skill. This year they had two plays called, "An Evening With Edgar Allen Poe" and "10 Ways to Survive a Zombie Apocalypse," and a musical called "The Pajama Game." The plays were during the fall and the musical was in the spring. Mr. Wilkins was the teacher in charge of the drama rehearsals and performances. Congrats to everyone who performed!

TENDERFOOT TIMES

Tenderfoot Times is our school newspaper, they keep everyone up to date on the news of SHS. Scarlett Campbell is the lead editor, Makiah Parris is the co-editor, Lucia Zettler is the photo editor, and Olive Ritchie is another editor. They along with the rest of the Tenderfoot Times crew work together to create the best newspaper articles for all of the students attending SHS.

STUDENT COUNCIL

Every year here at SHS we have student council. Its an incredible group of students who want to make a difference at the school. The kids in student council get to have a say in how the school runs. They have the stressful job of representing their peers at the school. The student council meets to discuss issues before school starts twice a week. Student council is lead by Hailey Hume. Throughout the years there are multiple leadership positions you can take. Students do things like plan dances and other school events, raise money, and do charity work in the school and community. Student council is an incredible opportunity to learn leadership skills here at SHS.

SPANISH

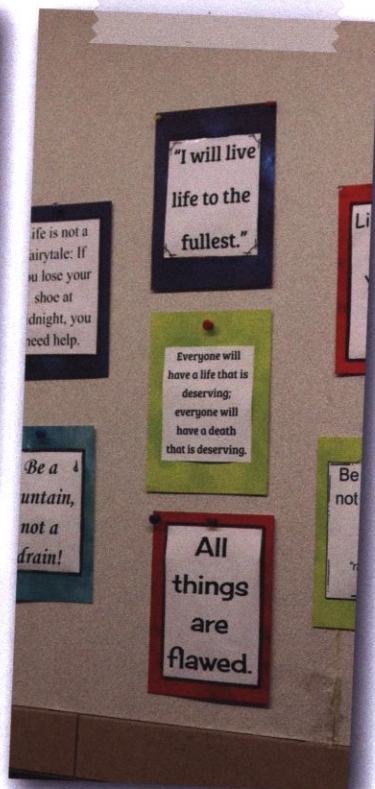

We have two Spanish teachers, Mr. Cassidy and Mrs. Frazee. Both teachers are great to have. Frazee teaches Spanish 2 and also middle school Spanish, while Cassidy teaches Spanish 1, 3, and 4. Both teachers have their own way of teaching, but are great teachers. Spanish is challenging, but is a great resource for life in the future. We thank these teachers for giving us an opportunity for a second language.

ENGLISH

Even though the English classes are challenging, the students persevere. Christina McNeirney, Jodi DeMoss, Paul Brackmann Ed.D, and Brit Searles are teaching the students. Everyone's favorite English class is creative writing due to being able to consistently express yourself.

IN LOVING MEMORY OF JEFFREY (BUCK) SHACKLETT

Buck Shacklett was a kind and loving soul. He always looked out for his friends and always had their backs. He was always the light of the room and he made others around him laugh, whether it was with a funny joke or him simply falling off his chair. He had a true heart and was friendly to almost anyone. He was inviting and open-ended. He most often wore his purple hoodie or a flannel shirt and some type of hat, and sometimes, both at the same time. Buck had a sense of freedom, he believed he could do anything he wanted without consequences.

Buck and his father, Jeffrey Connor Shacklett, were well known and well loved, and will forever be in our hearts.
