The editors note is the part of the book no one usually reads. This time, though, I mean it when I say I'm going to miss it. High school, I mean. The class of '24 graduates this year, and the future awaits us. We, Jayla Peacock and Lily Modrzejewski, have edited and supervised the yearbook class for two years now. We couldn't be happier to be graduating, even though we know we will miss it. I can't say I'm not excited for my future, but this is my last year editing the yearbook and making the Senior Slideshow. I CAN say that I'm sort-of glad for this to be my last year of that ;). Good luck to everyone during the rest of their school careers, and good luck to my new editors.

*Much Love,
Jayla & Lily*

Know·ledge Bowl

-A group of nerds who compete in Academic Trivia against other schools in the area. (As said by Mrs. Cooksey)

Learn More...

Knowledge Bowl is an extracurricular sport for the mind - a group of students who dedicate at least one day a week to learning random and useful facts to use in trivia. Teams of four to six students go through a series of questions that they try to answer correctly to acquire points for their team. Students have to call upon their skills and recollection of math, science, geography, history, literature, visual performing arts, music, and other topics to answer the questions to the best of their abilities.

Student Council

-A group of students elected by their peers to address issues of concern and organize student events and activities.

Learn more...

Student council is one of the main sources for school events and building culture and student connectedness. They are in charge of planning all assemblies, freshman orientation, winter fest, homecoming, trunk or treat, and fun week at the end of the year! Outside of events for the school they also raise money each year to help families in need around Christmas time. They partner with BaBas Magical Christmas to buy essentials and gifts for over 40 kids in our community. Our council is made up of representatives and class officers from freshmen to seniors who work on leadership skills, and who listen to student input and concerns in order to make our school a fun and safe learning environment.

-Events of a limited duration that have a global reach require public significant investment and have an impact on the population and built environment.

Learn more...

Throughout our day-to-day life, many things go on around the world. These events can be good, bad, and everything outside and in between. In the end, they all end up being life changing experiences. Although there can be tragedies in our world, we also have many good events that help bring our world together. Since a world event is a significant occurrence or incident that impacts multiple countries or regions globally, that means it affects everyone, directly or indirectly. Our hearts ache for all the people hurt by the tragedies in the world, but we love all of the positives that bring us together to form the community we have today - locally and globally.

Wildfires broke out in Maui on August 8th, 2023. The fires burned 2,170 acres, killed 97 people and destroyed thousands of homes and businesses. Maui is now working to rebuild and repair billion dollars worth of damages, and replace the homes of those who were displaced by the fire.

(Top photos) On October 7, 2023 a conflict broke out between Hamas-led Palestinian forces and Israel when Hamas launched a surprise attack on southern Israel. Since then, both sides have taken many hostages and the estimated death tolls have risen to over 30,000 people. There is yet to be a resolution to this conflict, but we're hoping for tranquility between both sides soon.

(Middle photo) On April 8, 2024, there was a total solar eclipse. A total solar eclipse is when the moon passes through between the sun and Earth. As a result of this, the light disappears and the earth goes dark for a bit. Total solar eclipse don't happen often. They usually happen every 18 to 20 years. Because of the rarity of a total solar eclipse, it was a big deal around the world, and it brought many people together to go watch this historical moment happen.

It isn't easy to teach high schoolers math, so we laud our math teachers for the patience. Mollie Collins teaches Algebra 1 and Math Lab, where students learn about the basics of algebra. Josh Bechtel teaches Precalculus and Calculus One & Two. He likes to keep his class a fun learning environment, usually containing something to do with the instruments he has! Ben Sanchez teaches Algebra 2. He loves teaching math because he believes that "math is a language that can express thoughts and emotions that the English language is not capable of,". Sarah Sargent is a part time teacher who teaches two geometry classes. Sargent wants more than anything for her students to leave her class with a growth mindset. Thank you to these amazing and dedicated teachers!

Au·to Class

-A school class that deals in the teachings of repairing automobiles.

Learn more...

Mr. Thonoff is a proud teacher at Salida High School who's been working here for 16 years. He decided to teach while working at the old Chevy garage where several SHS students job-shadowed and interacted with him. Knowing and sharing these skills is what pushed him towards teaching full-time. His favorite part about teaching is engaging students who seek sincere engagement in his class. His goals for this year are to master new CMC Automotive program and to really concentrate with student outcomes by bringing back the "wonder" of machines and the role a good technician plays in today's society.

Here at Salida High School we have an outstanding cheer team. This year several girls have joined and showed their utmost dedication for our Sparta athletes. This year, our cheerleaders are especially impressive as they now have flyers, Emma Adams and Aspeyn Stallard. Our cheerleaders put in all of their time and effort to be the best supportive team, and they truly represent Salida High School. They put their all into every session they have with each other, and during every game, they grow closer, as a family. Thank you SHS cheer!

Learn more...

- Spirit week is always a great time for the whole school to come together and bond over fun and exciting dress-up themes. Throughout the year, we have three spirit week events to commemorate our high school lives and events. If we're being honest, it can get kind of ruthless and nerve wracking nevertheless still being a great experience. We have these events before school dances and at the end of the year. Our 2024 Seniors get to experience their one Toga Tuesday before they go and live their adult lives. Much love, Spartans!

The SHS boys basketball team demonstrated excellent teamwork and unselfish play. You can feel the greatness and the focus of these Spartans from the bleachers. They showcased an impressive average winning score of 15-3, with a win percentage of 83%. Their rebound game is strong, with the best players averaging 9 rebounds/game. Their assist and steal game is also strong, both averaging at 3/game. Although the boys were faced with the challenge of living up to their precursors, they succeeded with the help of some serious hoop mojo. Thanks to Coach Christensen and Coach Kaess, the team made it to the Elite Eight of the State Basketball Championship.

Learn more...

Winterfest is our schools annual dance for the celebration of winter, as well as Valentines day. The week before our school dance consists of a spirit week, where the SHS students and teachers participate in daily themes. This year, we had Pajama day, Dynamic Duo day, Frat vs. Sorority, and lastly Teacher and Student Swap. We also have a Winterfest basketball game to entertain the students, teachers, and parents and to get our students hyped up for the dance. Our school creates decorations and small projects for the cafeteria area for all the dances. SHS is so spirited, it could make you scream in fear!

DYLAN BLADES

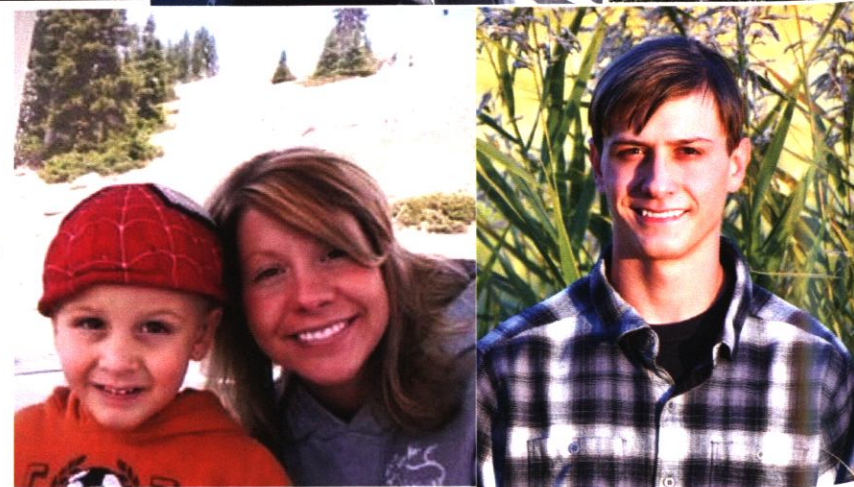

DYLAN,

WE ARE SO PROUD OF THE MAN YOU HAVE GROWN TO BE. HERE WE ARE AT THE END OF ONE JOURNEY, AND THE START OF ANOTHER. WE LOVE YOU BEYOND WORDS.

FOLLOW YOUR DREAMS, BUT ALWAYS REMEMBER YOUR WAY BACK HOME.

MOM AND DAD

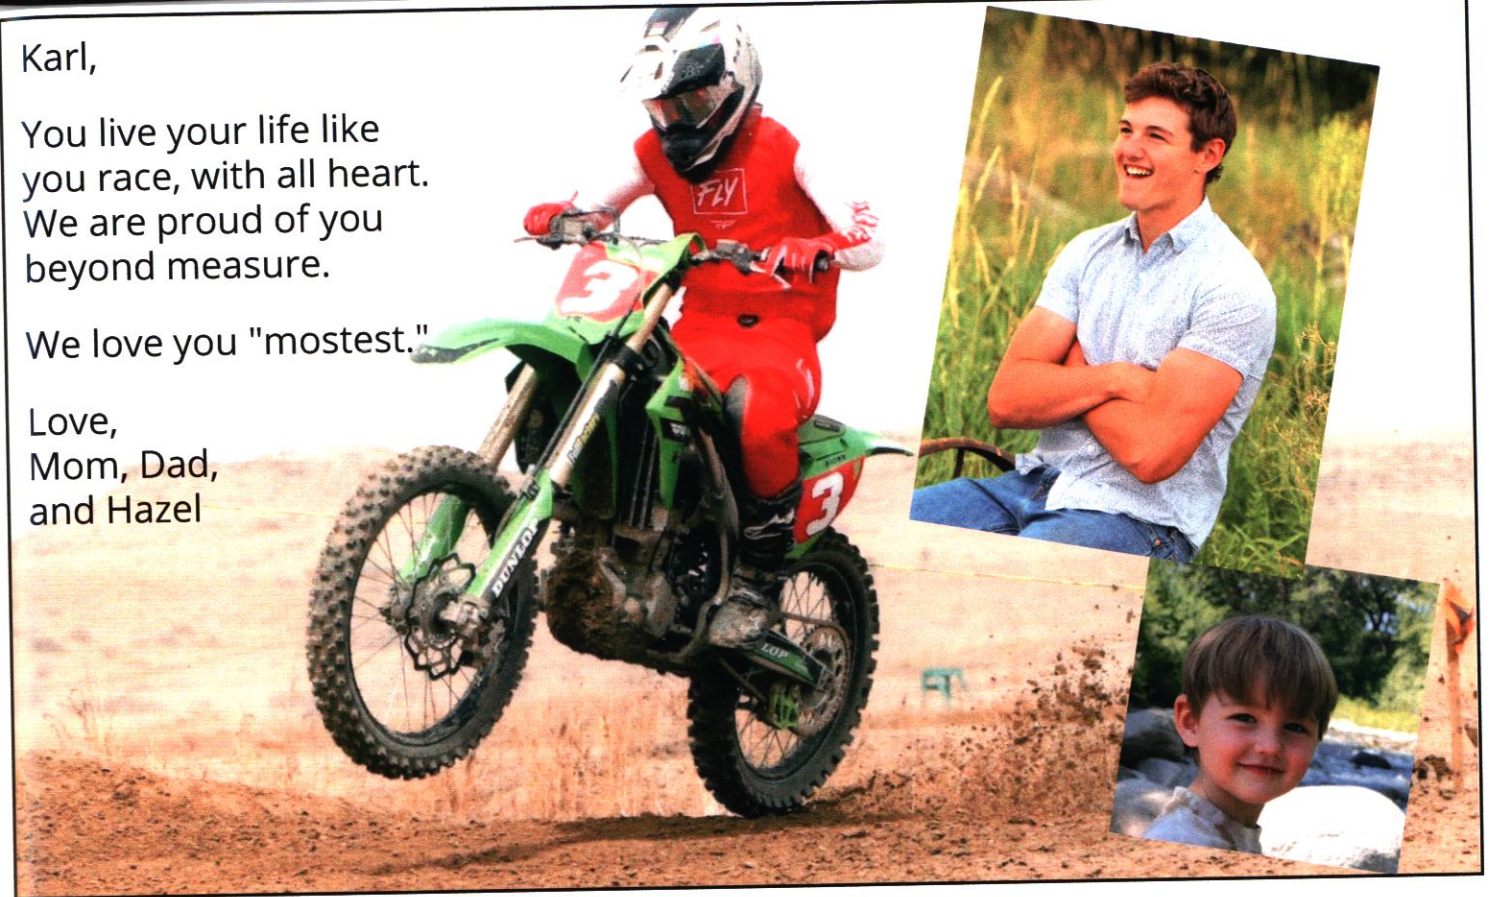

Karl,

You live your life like you race, with all heart. We are proud of you beyond measure.

We love you "mostest."

Love,
Mom, Dad,
and Hazel

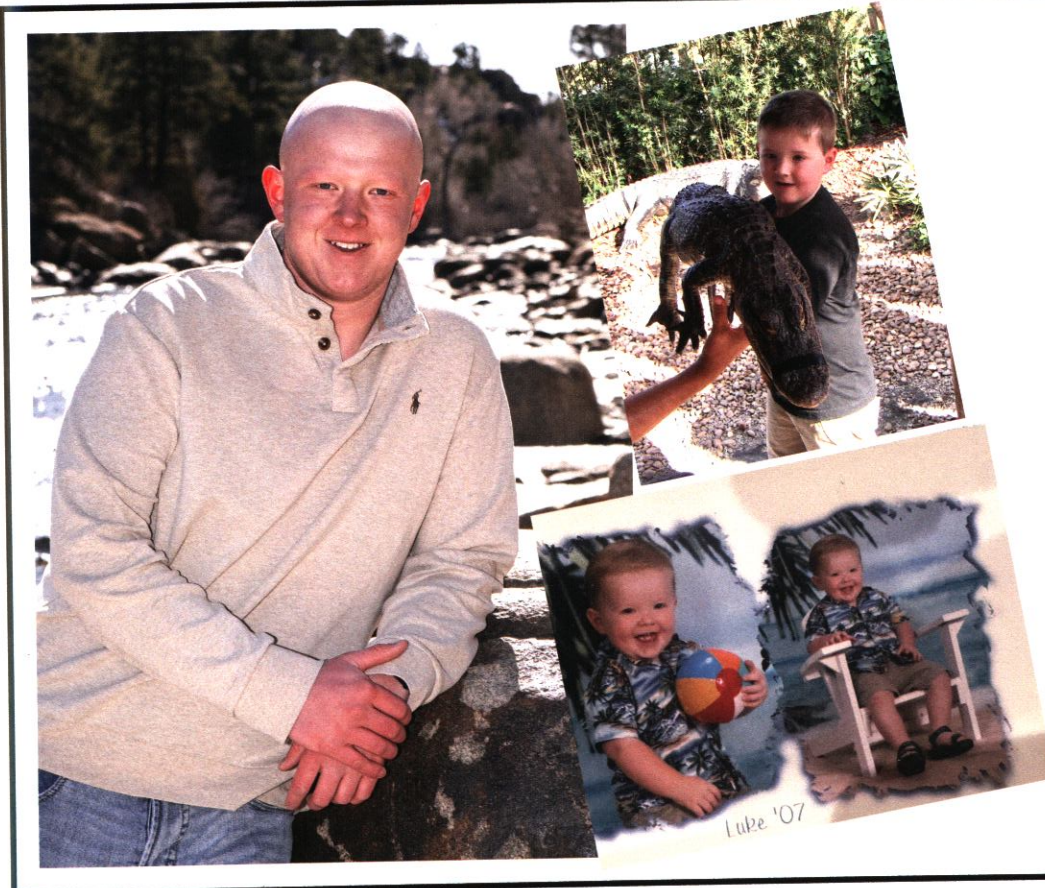

Luke,

We are so proud of all your achievements and the young man that you have become.

May God continue to watch over you and protect you.

We love you very much,

Mom and Dad

Dear Jack,
 You continually raise the bar and surprise us with each passing year. You are intelligent, independent, hilarious, driven, kind, and strong.

We know you have a bright future ahead, and we can not wait to see all of the wonderful things you do with your life.

Always continue to be a voice for change, for the little guys, and for reason. Keep looking forward, and remember that you are loved beyond measure and we will always be behind you, supporting you on your way.

Love,
 Mom, Dad, Savannah, and Raleigh

Makiah,
 There are no words to explain how I feel about you.

You've always pushed the envelope, you've always raised the bar to its highest, and you did it with 100% respect and sportsmanship.

Your leadership, your intelligence, your hard work, and determination will lead to success no matter what you do. We all know there are no guarantees in life - except my love for my daughter.

Your success shows it was all worth it, and you've just begun. If you're happy and okay, I'm happy and okay. I'm so proud of you Makiah.

Love you, always. -Dad
 I'll bet on you every time.

Hunter Garcia

"Courage is not the absence of fear, but rather the assessment that something else is more important than fear." -Franklin D. Roosevelt

"The only way to discover the limits of the possible is to go beyond them into the impossible." — Arthur C. Clarke

You have never accepted anyone's definition of your life, instead, you have always chosen to define yourself. We are so proud of you and your many accomplishments.

Enjoy every moment of your adventure at UVM!

We love you!
 Mom, Dad and Kuper
